In the past ten years there have been many changes and events which have marked this decade from any other. Our world has suffered through the war in Viet Nam, an energy crisis, the Watergate Scandal and resignation of Nixon.

Looking back will we remember what has happened and how we've changed. We now stand on this threshold of a new decade, the 80's, an unknown quantity and look back on the decade of the 70's, a known quantity for this . . .

## CLOSING OF A DECADE

## As the decade closes we look back at those who left us . . .

Show business lost some great personalities during the 70's. The memories of these people make the entertainment world what it is today.

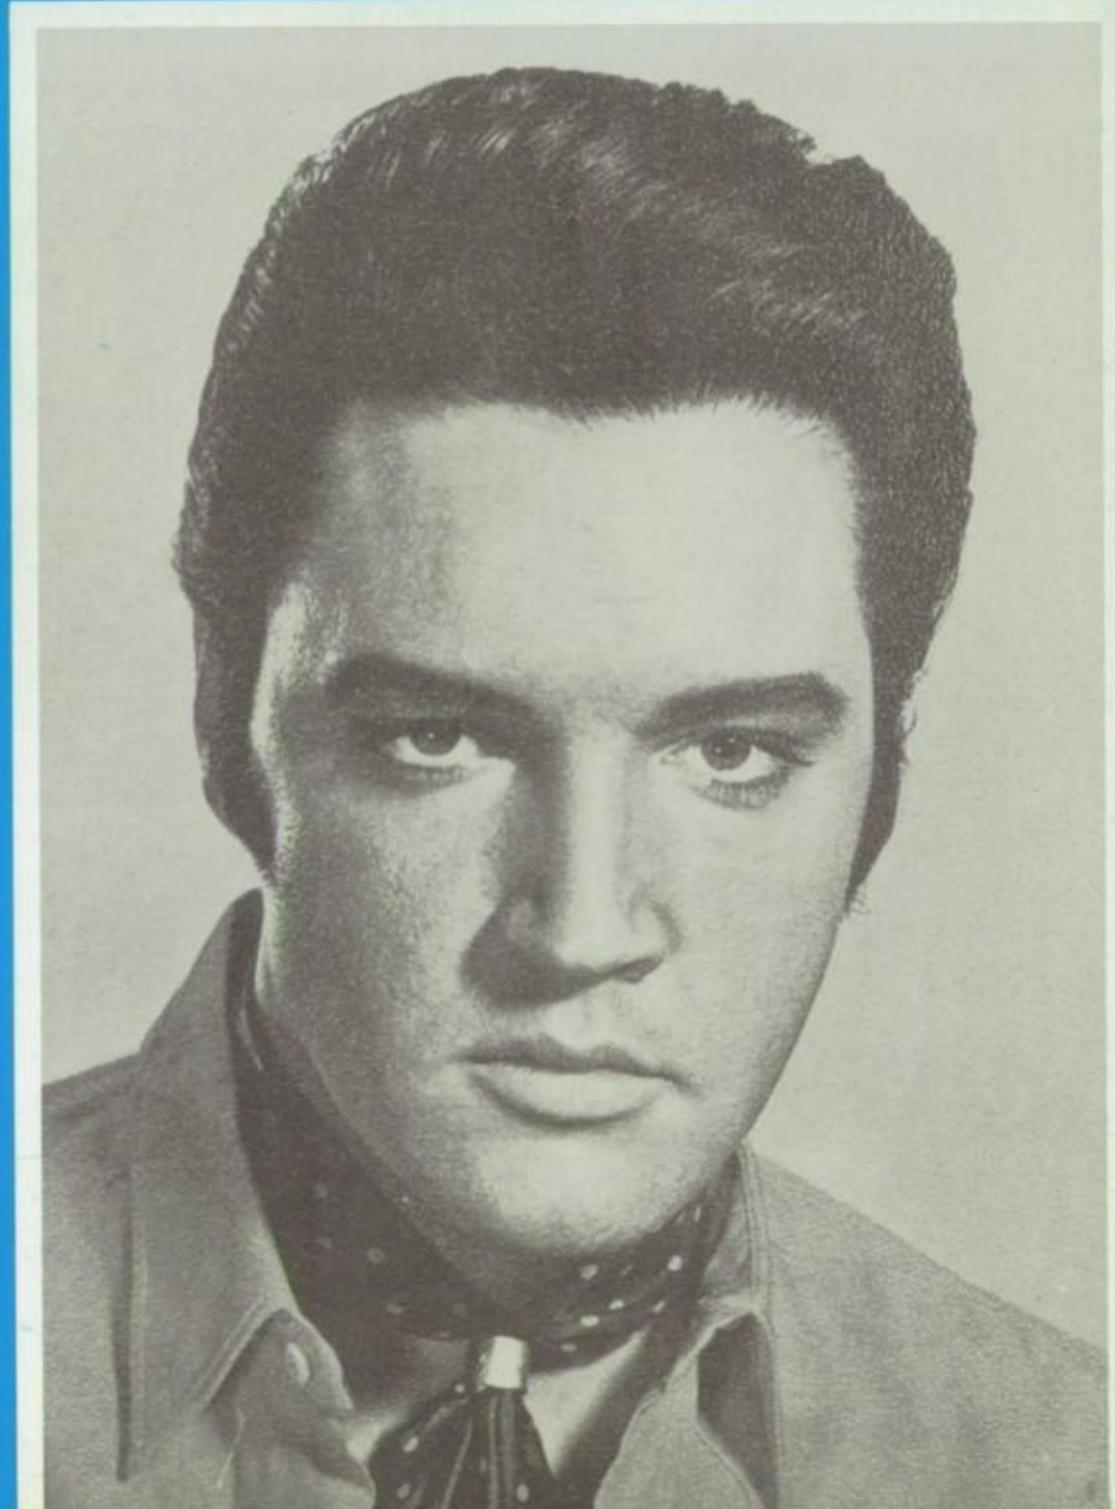

On August 16, 1977 the father of rock 'n roll died of heart failure in his home city, Memphis, Tennessee. Elvis Presley, also known as "Elvis the Pelvis" because of the sexy undulating body motion that typified his style, became a star in 1956 when his first string of hits "Heartbreak Hotel," "Don't Be Cruel," "Hound Dog," "Blue Suede Shoes," and "Love Me Tender" - reached the top of the charts and the first of his twenty-eight motion pictures, LOVE ME TENDER, was released.

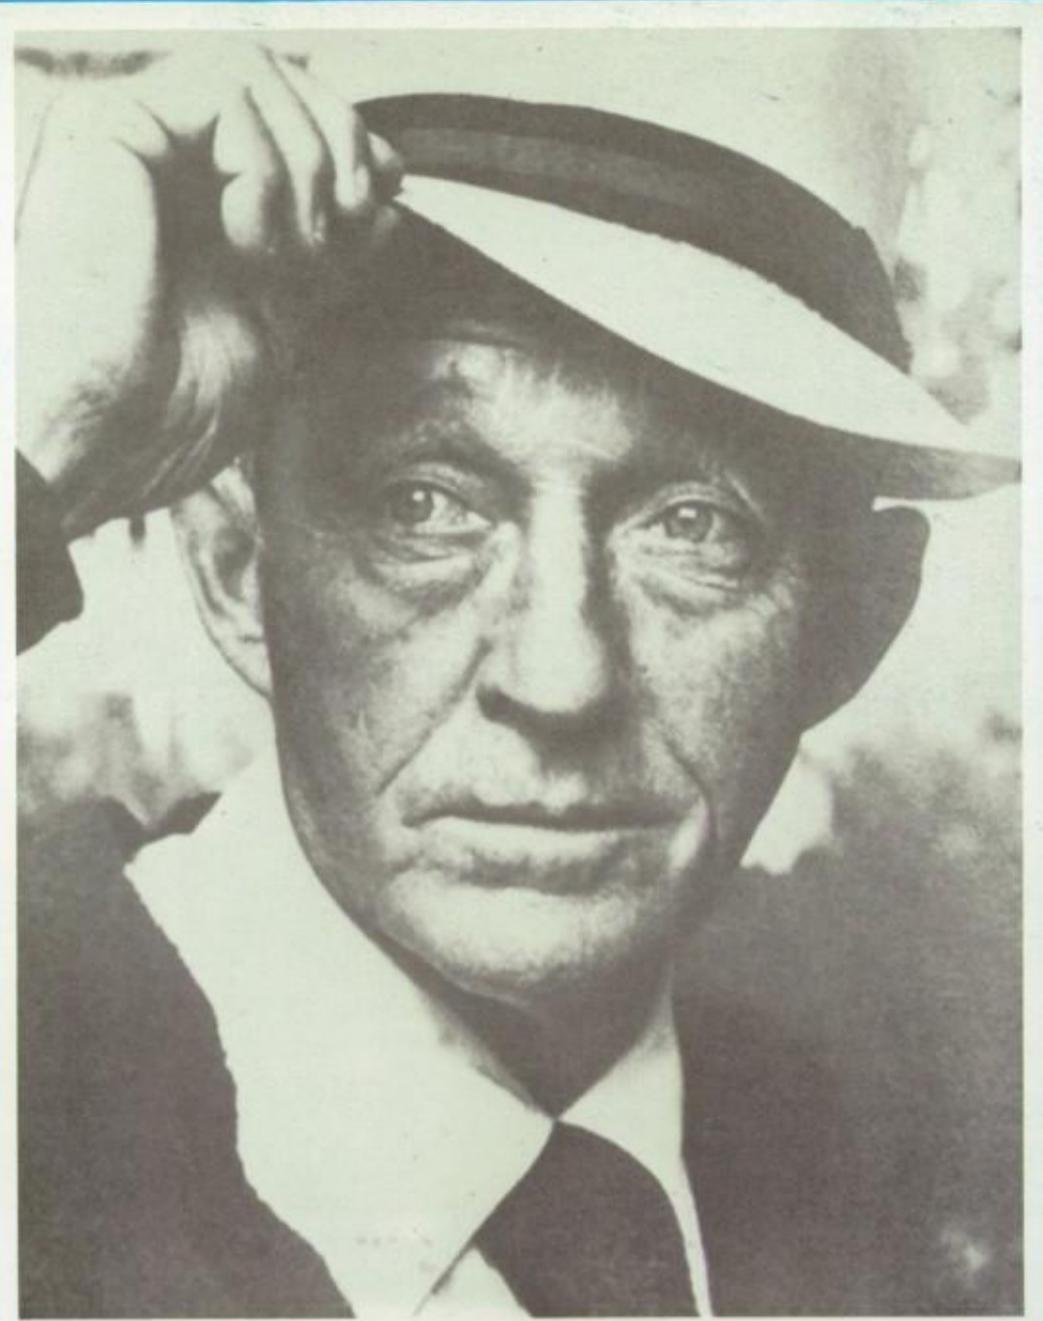

Freddie Prinze of CHICO AND THE MAN committed suicide on January 28, 1977. He was a good

actor and many people enjoyed being entertained by him. It was a mysterious tragedy that shocked everyone.

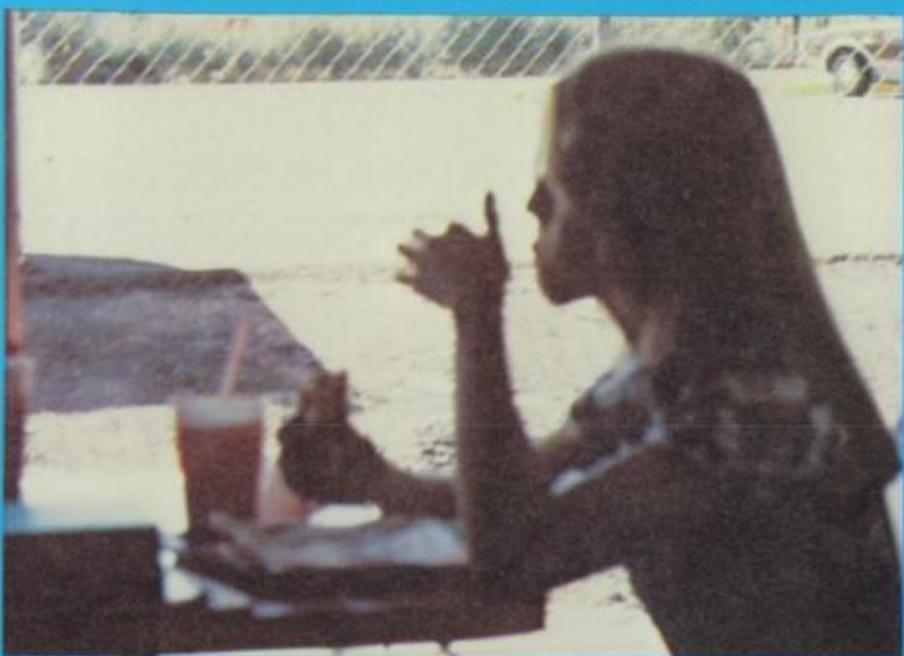

On Christmas Day, 1977, Charlie Chaplin died at the age of 88 at his home in Switzerland. He was first introduced to America as a vaudeville clown in 1910.

Bing Crosby thrilled audiences of all ages with his great talent not only in singing but also in acting. He made many famous movies in his day, such as - WHITE CHRISTMAS, HOLIDAY INN, GOING MY WAY, not to forget his many road shows. Bing Crosby died as he had lived, a true and faithful son of the church into which he was born, a loving husband and father, a sportsman among sportsmen, and a patriotic American.

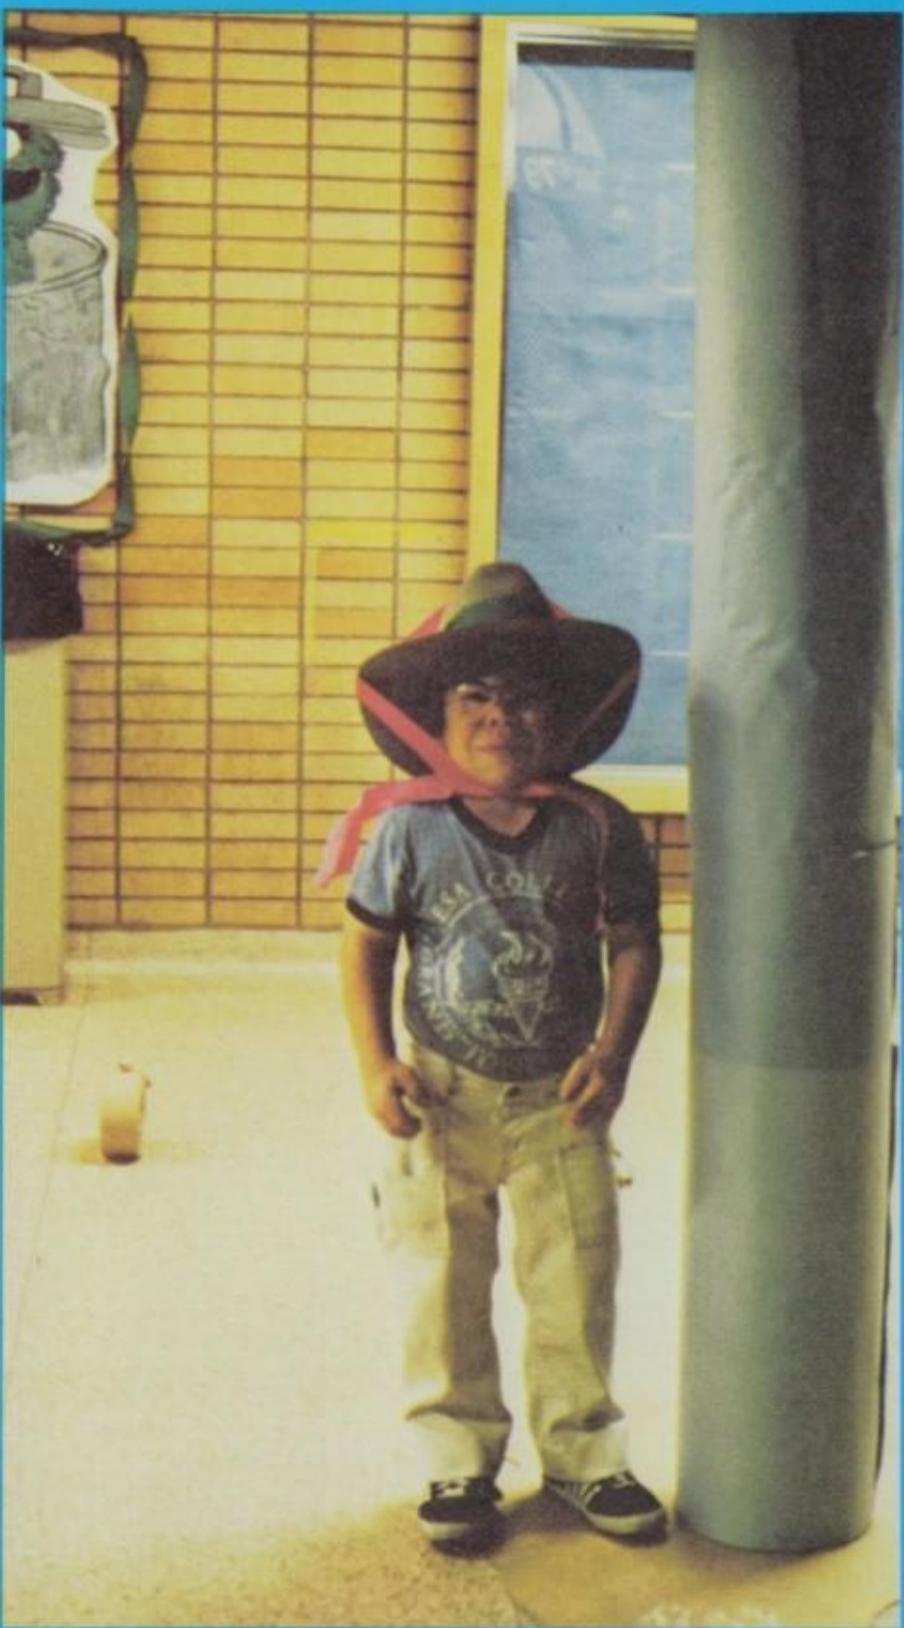

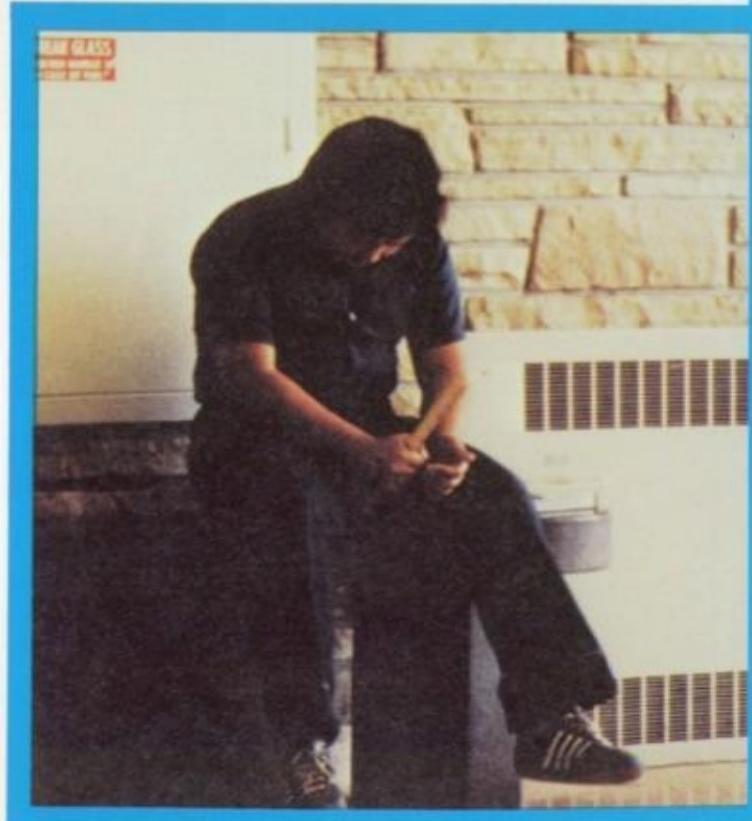

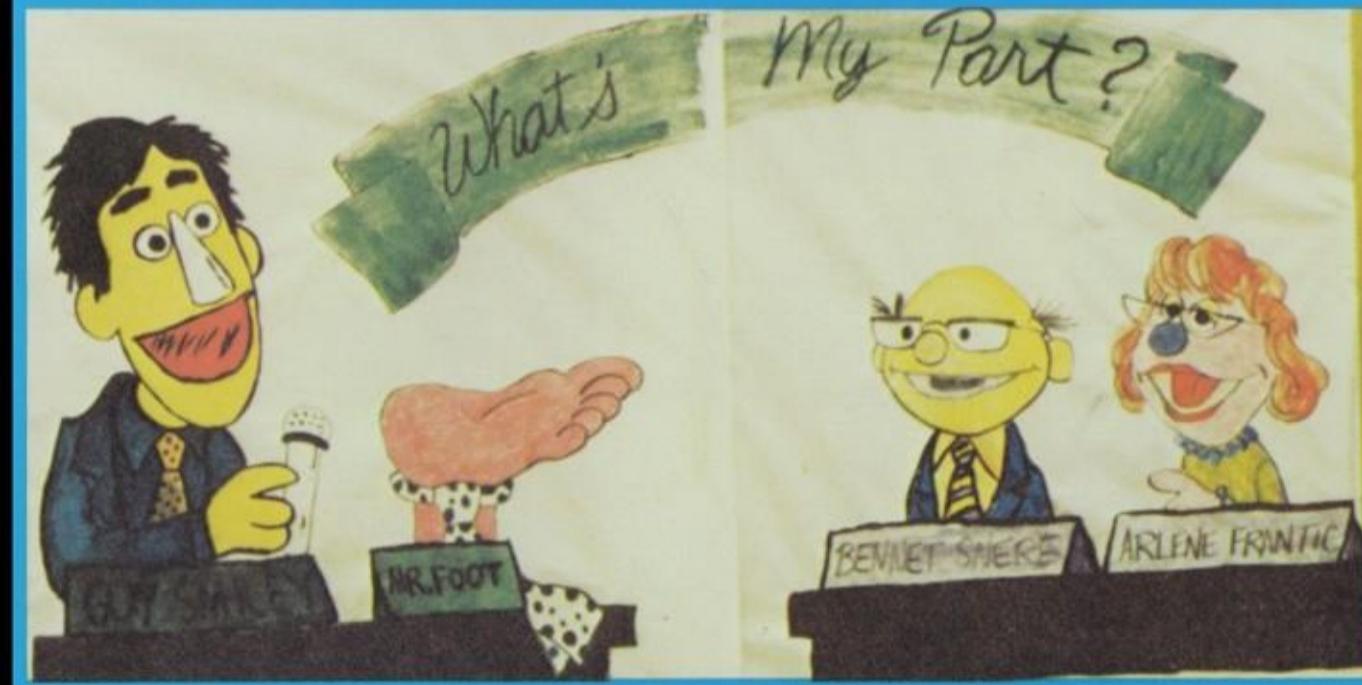

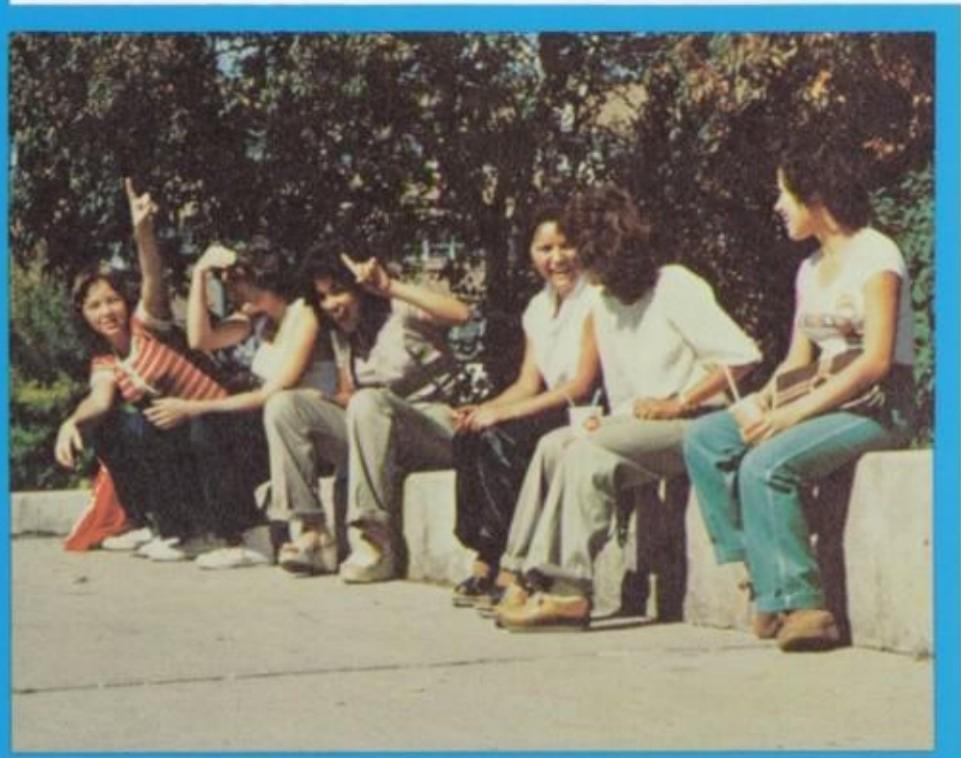

and went on to a bigger  
and better place.

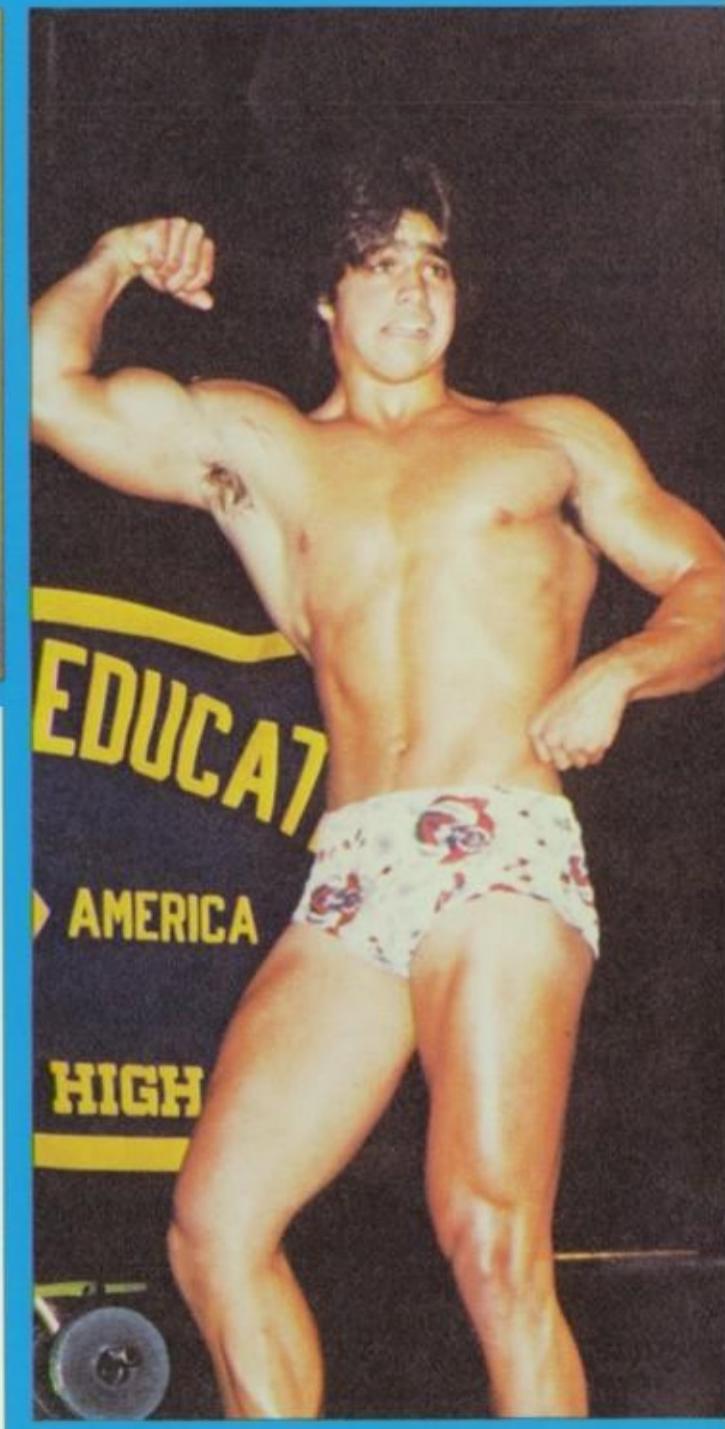

As the decade closes all  
of our thoughts and  
goals have changed with  
the times . . .

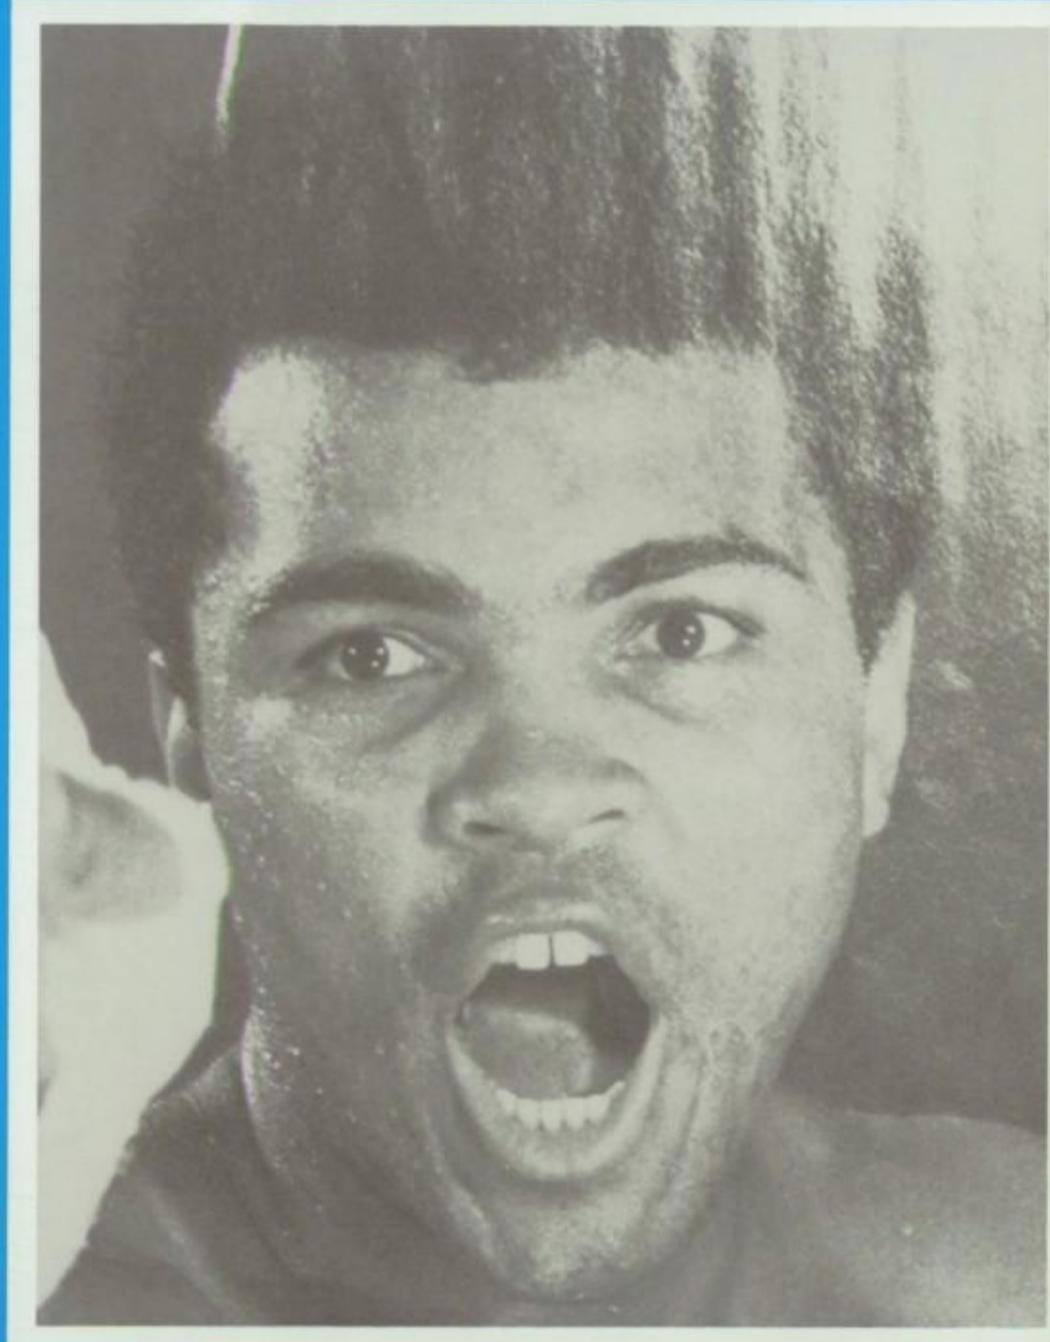

and we are still searching to  
find out who we are and  
where we are going.

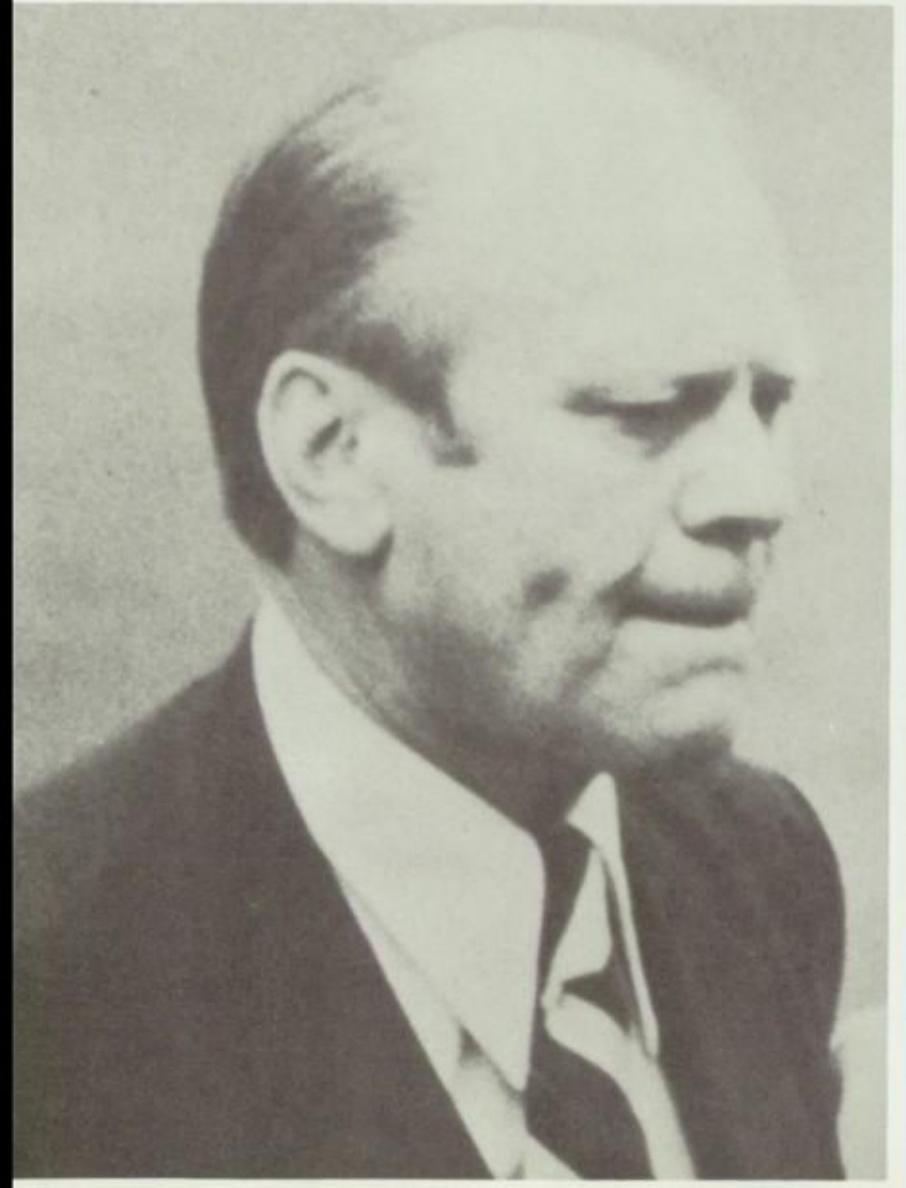

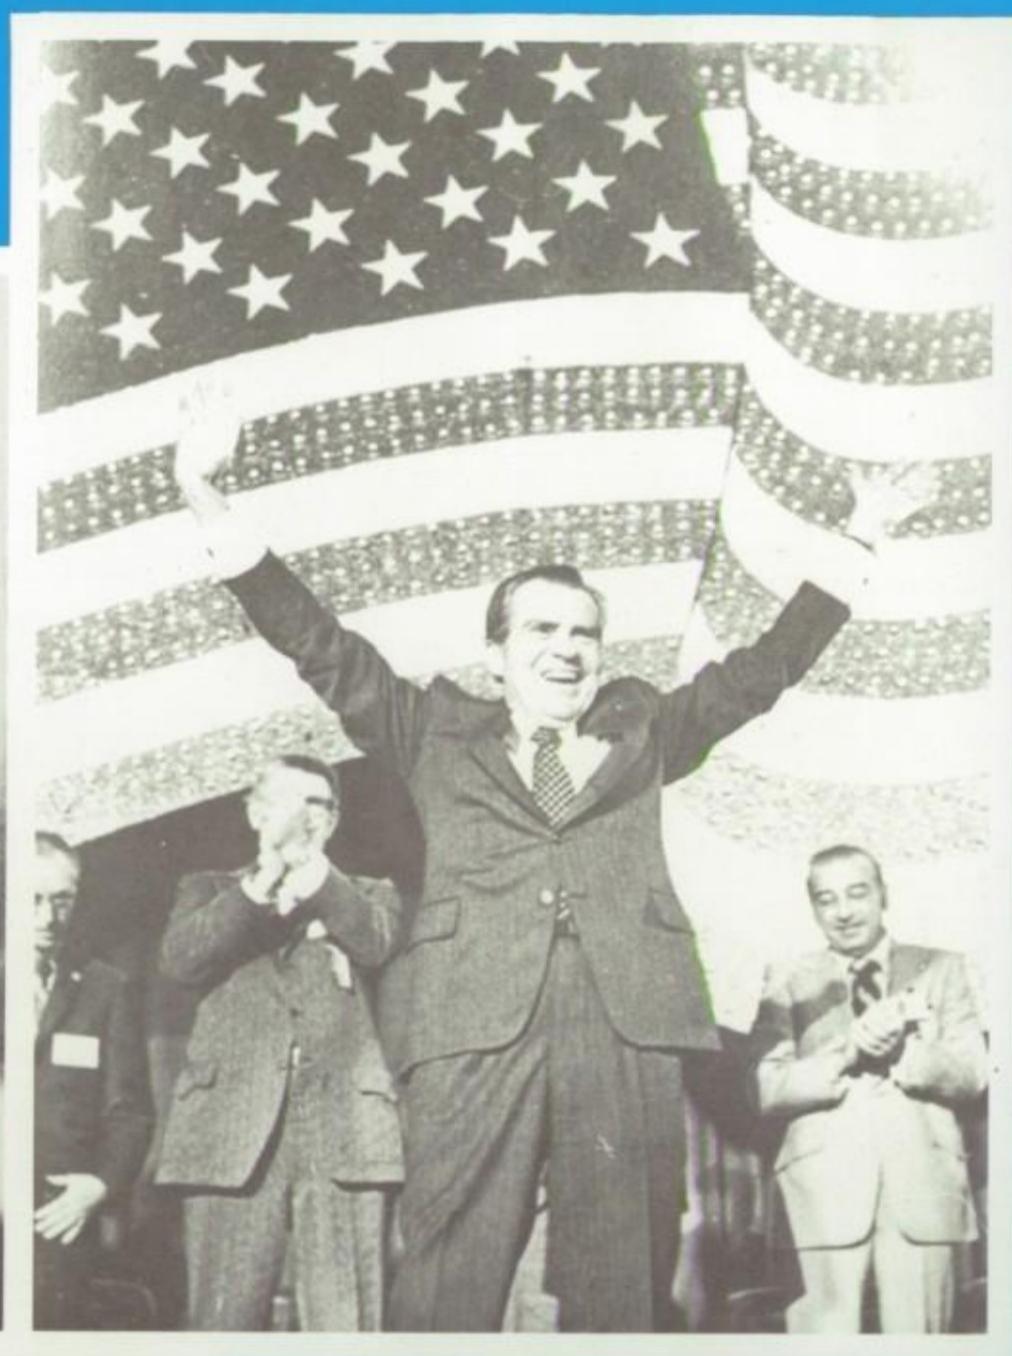

## As the decade closes we will remember those people . . .

The 70's made political history when for the first time a president resigned and Watergate became a new word in the dictionary. Vice President Gerald Ford then took over for Nixon. Mr. Ford held this position for the rest of the term; then President Carter was voted in. Henry Kissinger was an important political figure in the 70's also. He had a big part in keeping peace. As the decade closes Vance has taken over the position as Secretary of State.

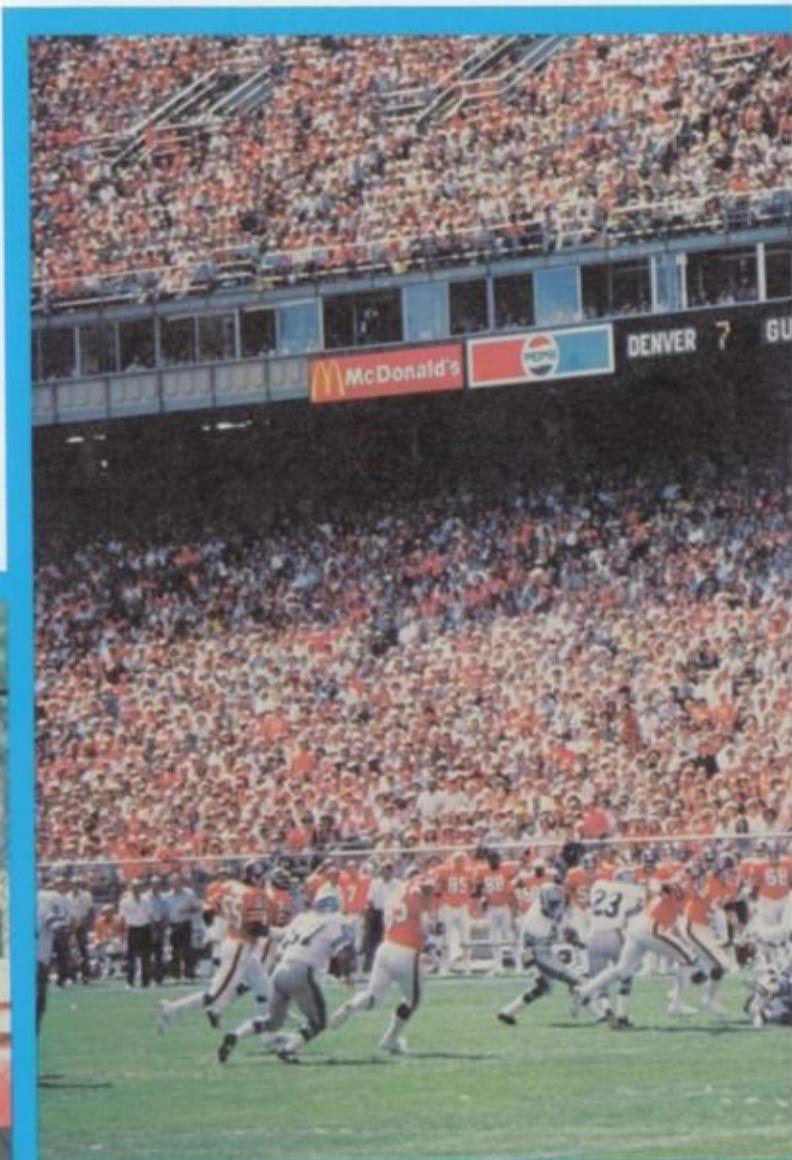

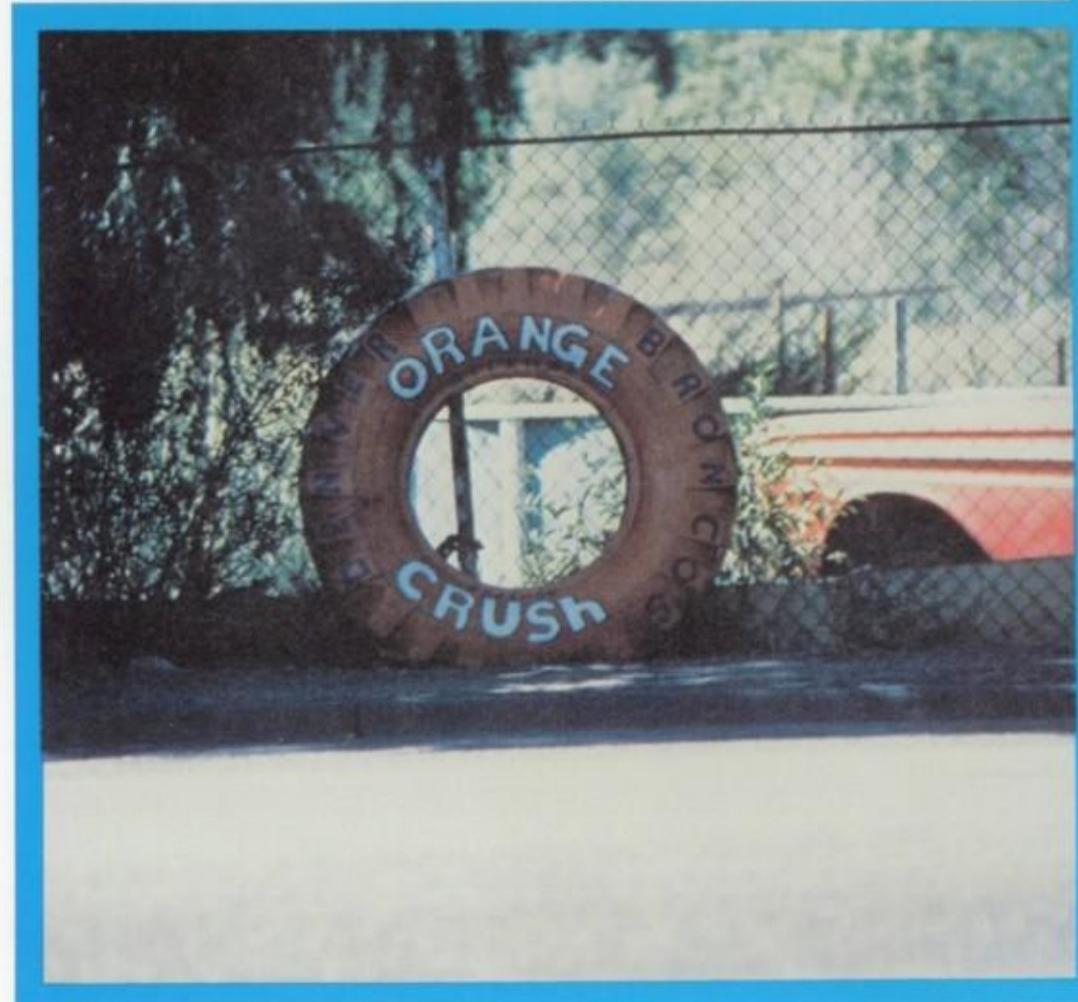

In the world of sports, Muhammad Ali has been the main man. The world heavy-weight champ has had a couple of tough years. Leon Spinks came into the picture and took the title away from Ali and lost it back to Ali all within a matter of six months. It was the shortest time anyone held the title. The 1972 Olympics created a couple of world-wide superstars competing for the big one, the gold medal. Mark Spitz, who was one of them, managed to come home with seven golds in the swimming competition. Little Olga Korbut stole many hearts as she showed her charms in the gymnastic events. The 1976 Decathlon winner was Bruce Jenner, which made him "The World's Greatest Athlete."

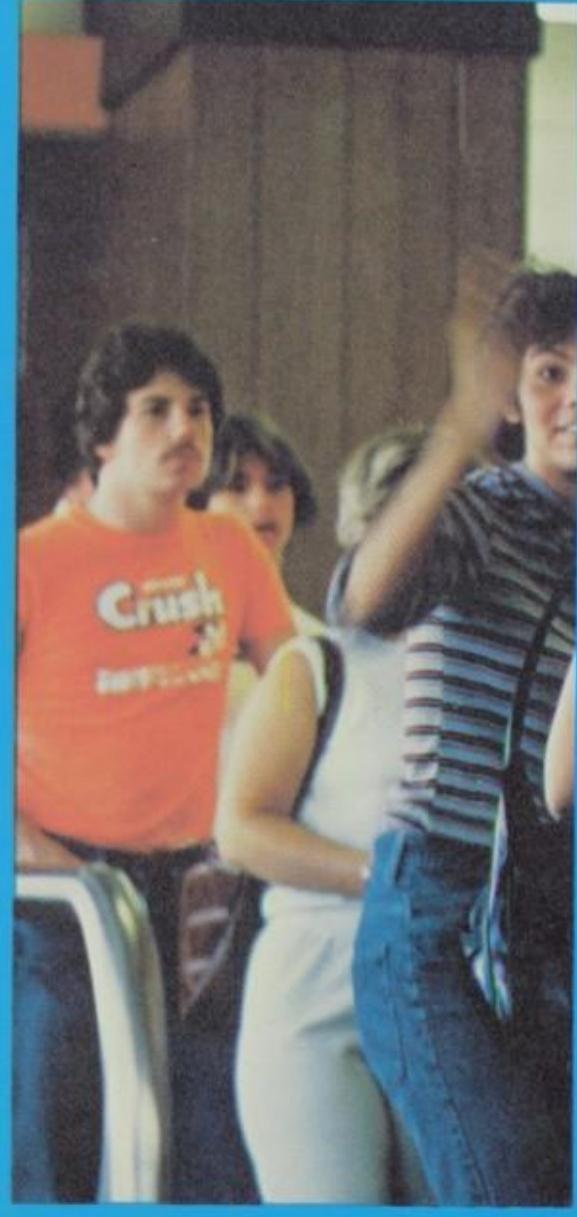

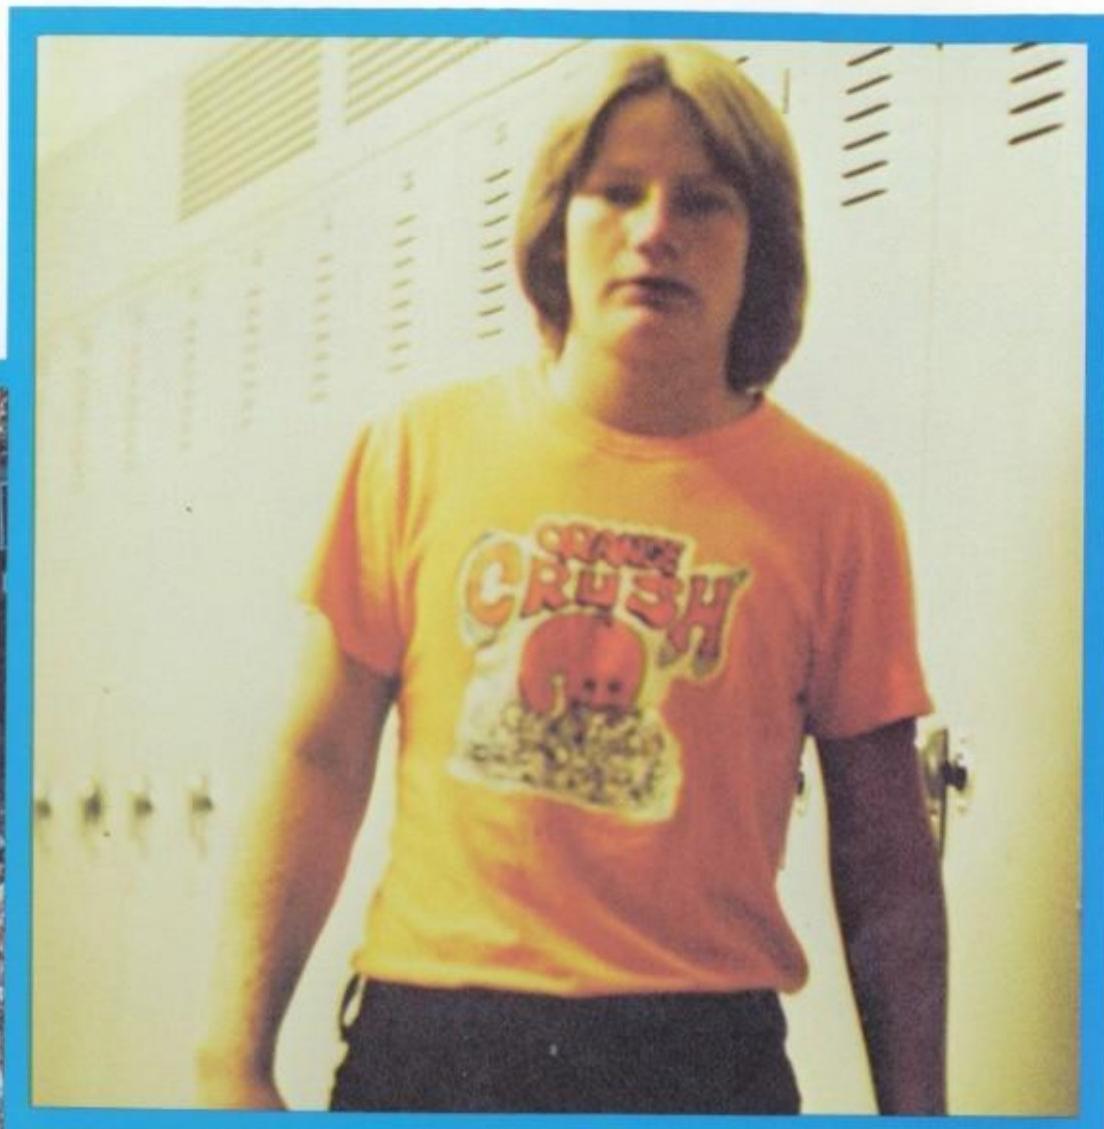

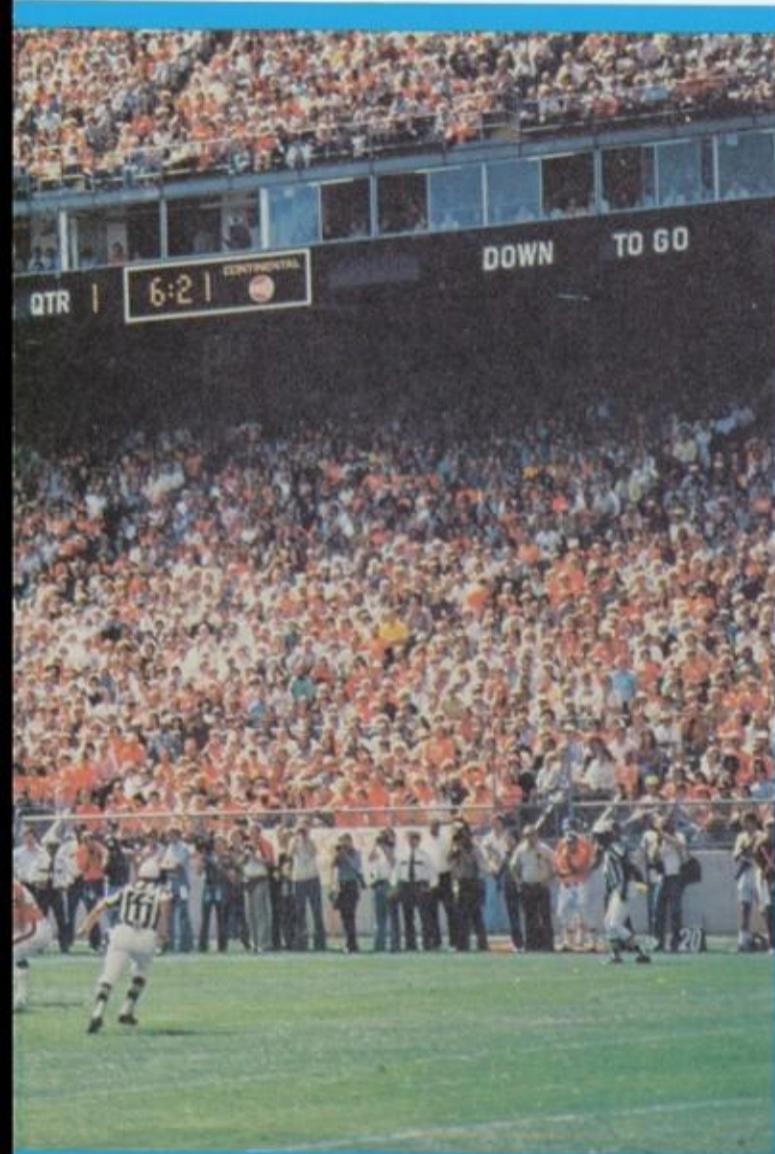

who had a big part in  
forming our life style.

As the decade closes the  
spirit of Broncomania . . .

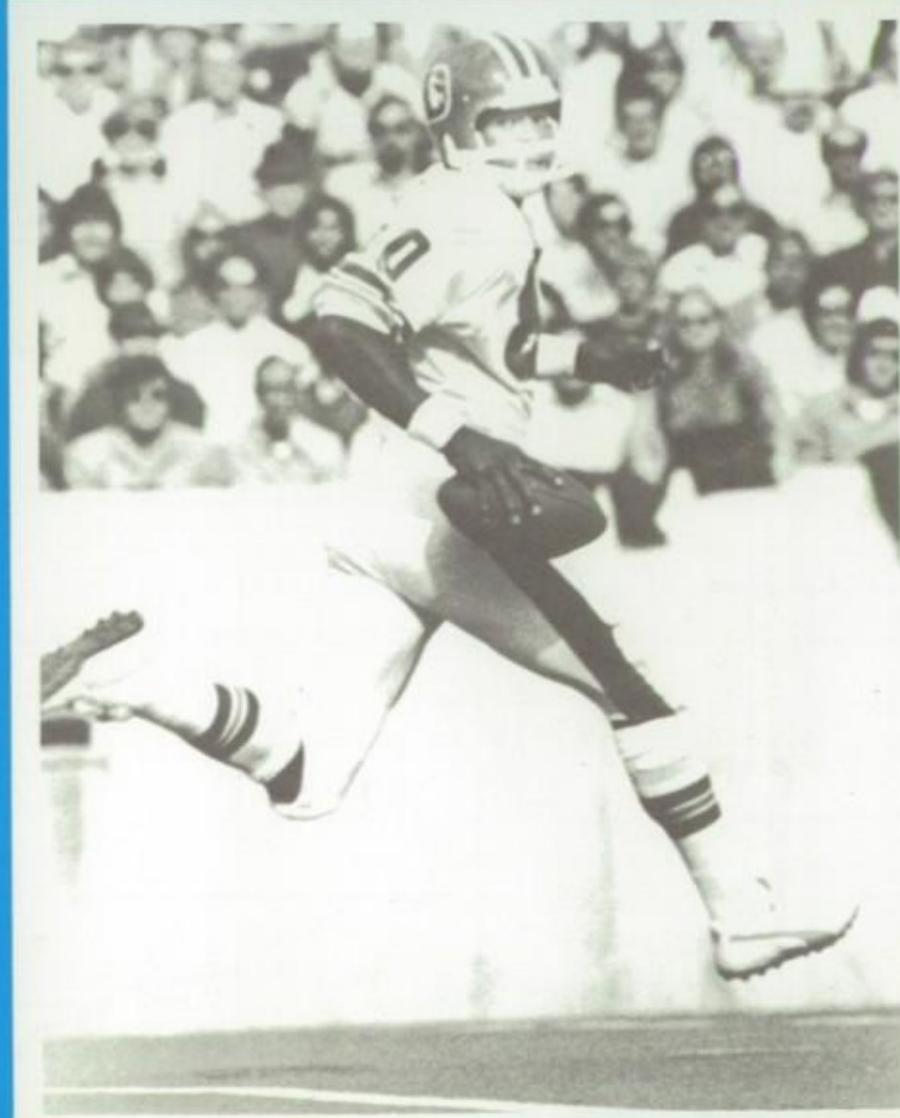

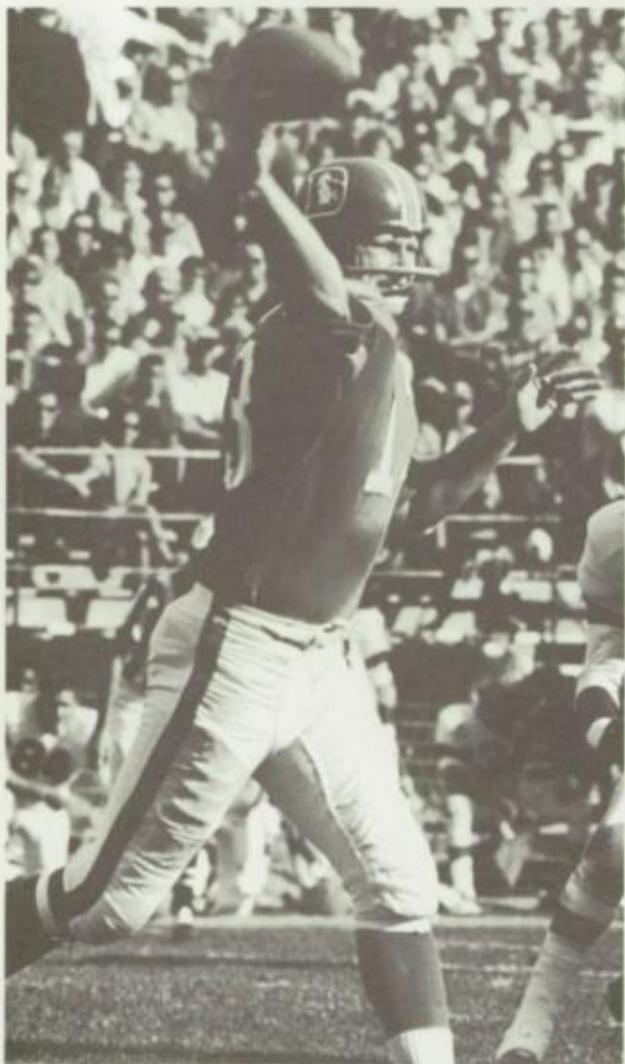

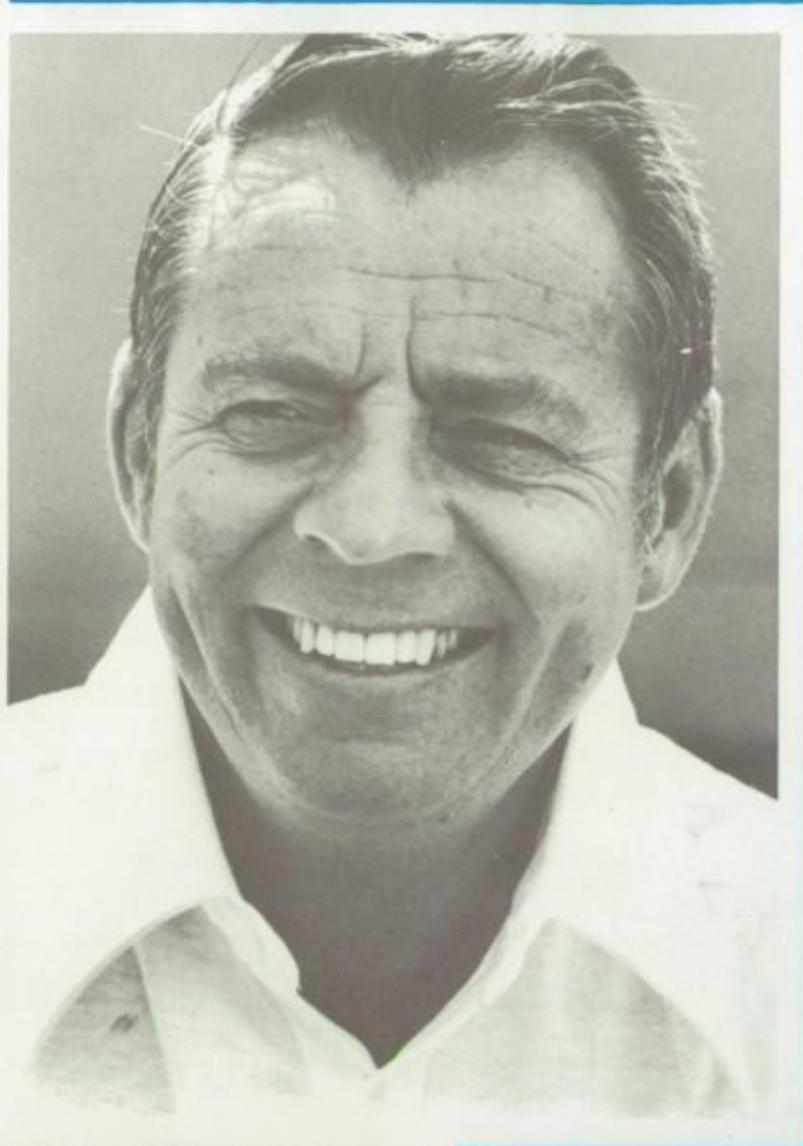

has made us all a little  
more "orange crazy."

## As the decade closes we see the 70's . . .

It was January 15, 1978, at New Orleans Superdome where Cowboy Cool was going against Broncomania. The place was wild and crazy and ORANGE. Orange, Orange, Orange—the color of the 70's. This was the finale of a super season. In the early 70's one would mention the name "Denver Broncos" and it would draw a blank, but now in these exciting football days "Broncos" has a new meaning "AFC Champs," "Superbowl," "Broncomania," "Orange Crush," "best defense," "devoted fans," are all part of the Broncos of today.

as a  
decade of  
the Broncos.

As the decade closes  
Lancermania . . .

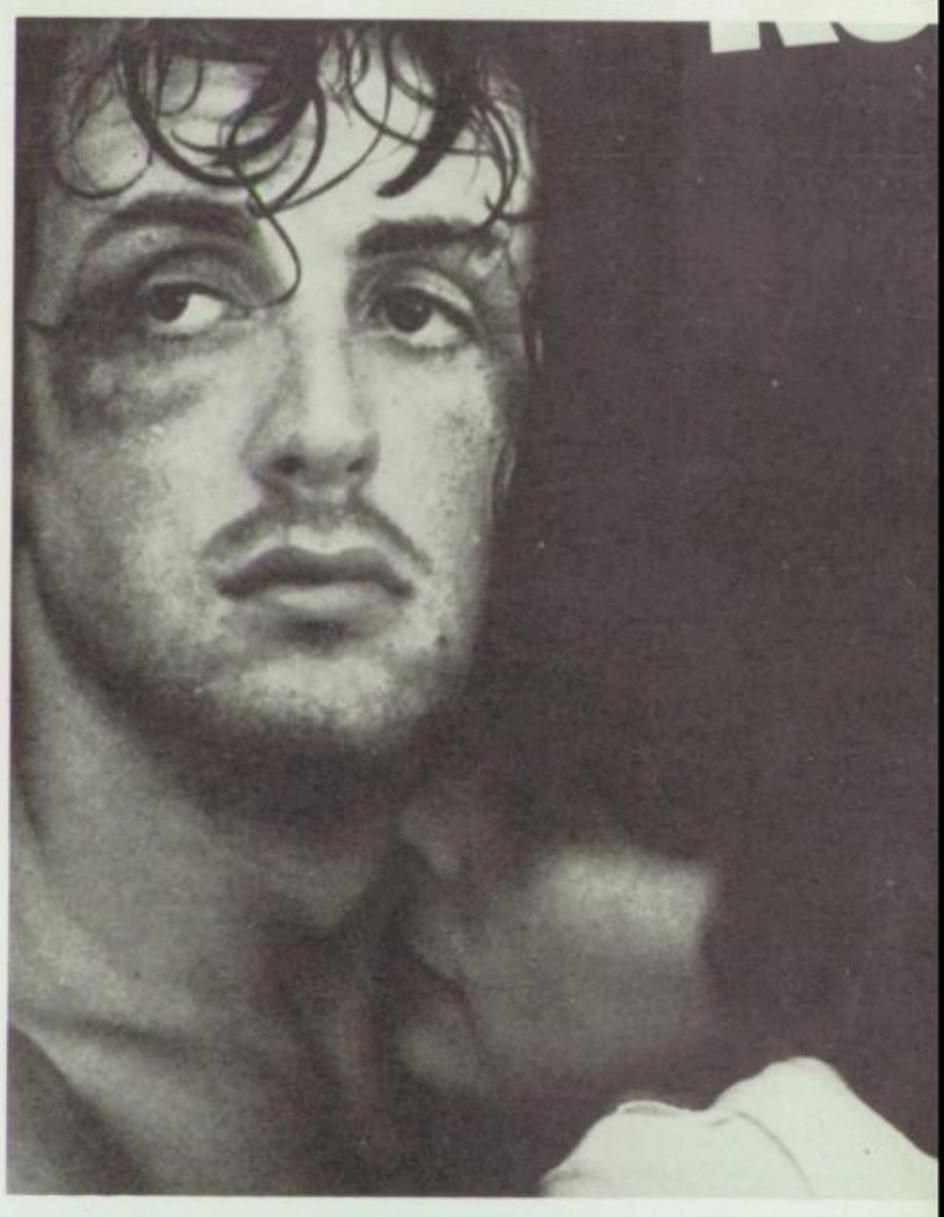

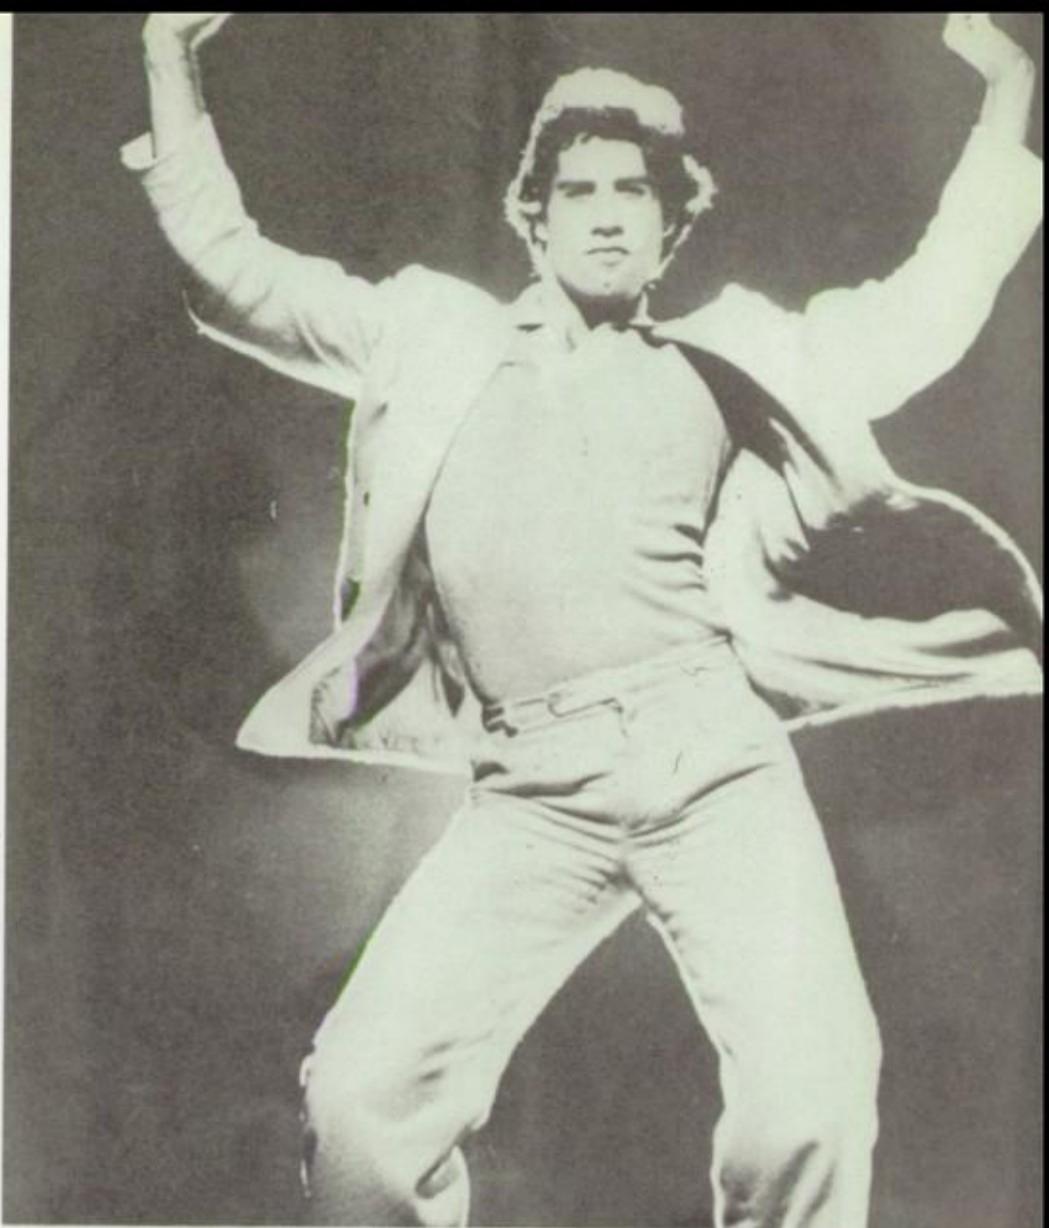

has made us all a  
little more "blue and  
gray."

## As the decade closes the entertainment world ...

The decade of the 70's saw no great musical changes, but did see a number of innovations. In the early 70's Beatles' fans mourned the news of their breakup. The music of the mid-70's was a mixture of Hard Rock and Pop Rock, with popular groups being the Rolling Stones, Fleetwood Mac, the Osmonds and teenage idols like Donny Osmond and David Cassidy. Hard Rock continued to develop with other groups like Boston, the Eagles, and Kansas.

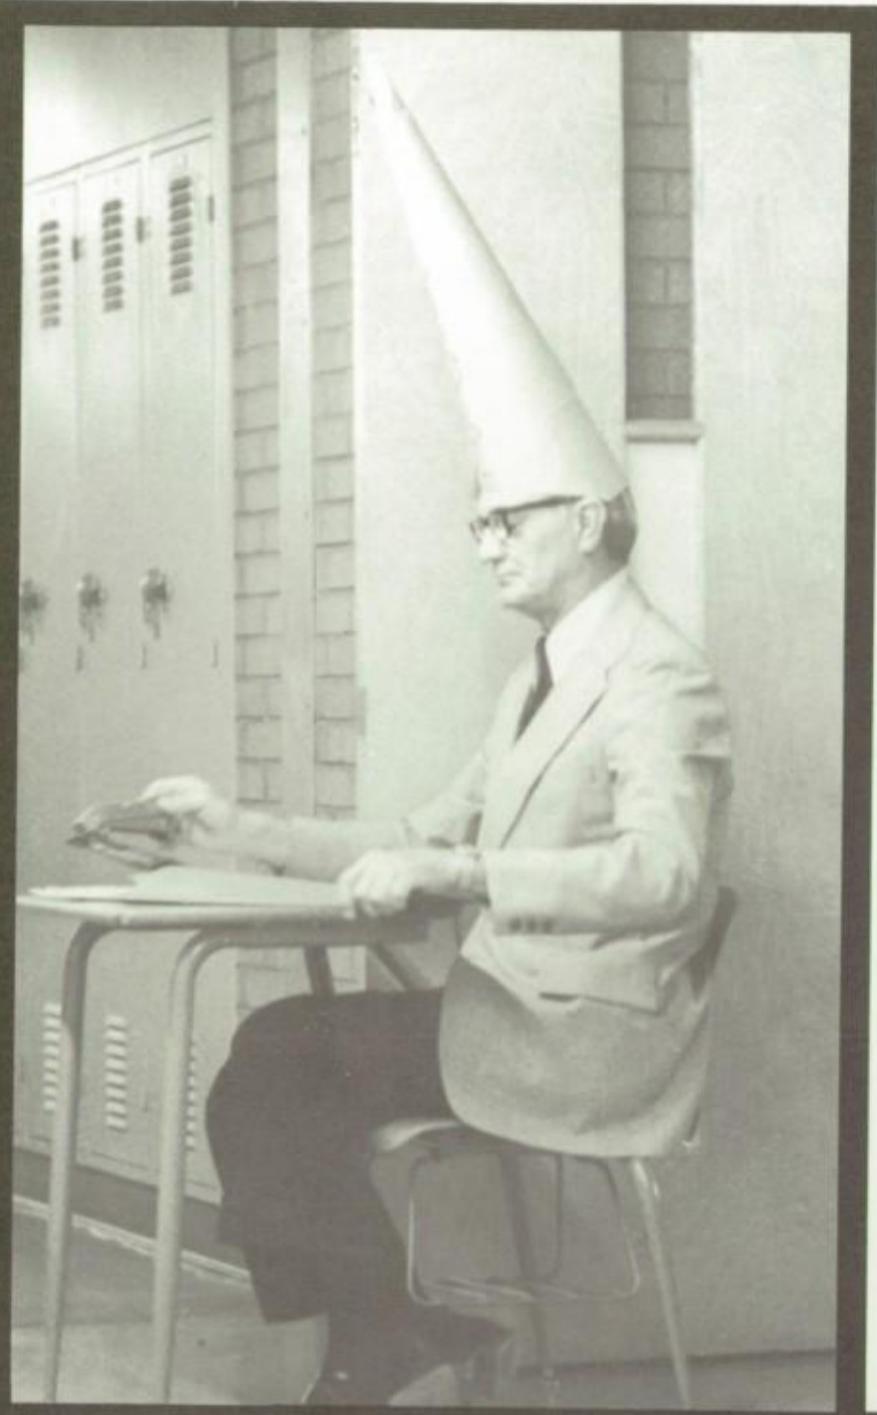

But a new and completely different kind of music was also emerging—DISCO. Groups like the Commodores, Donna Summer and the Bee Gees contributed to much of the success of disco music. Moreover the movie SATURDAY NIGHT FEVER was the major cause of this "disco fever." This movie also contributed to the popularity of the star and idol John Travolta. He is just one of the stars to pop out of the late 70's. Sylvester Stallone melted his viewers in his performance as "Rocky." Henry Winkler, alias Fonzie, stole the hearts of many in his role in HAPPY DAYS. Farrah Fawcett became an everyday household word through her role in CHARLIE'S ANGELS.

still lives on.

As the decade changes  
new and familiar faces  
grace  
the classrooms at Lincoln

# Youth plagues cross country

The Lincoln Coed Cross Country Team, coached by Victor Mendez, was a very young team with only 1 senior and 1 junior on the team. Eleven team members were sophomores; four were girls and five were boys.

Cross Country members practiced everyday running over 3 miles each time out. They had meets every Thursday at the South High Stadium.

There were two larger meets: The Denver Public High School Athletic League Invitational and the

Broomfield Invitational. The runners for Lincoln used these meets as practice to get ready for the District Meet.

Lincoln runners tried hard at all their meets, losing a close one to Thomas Jefferson.

Next year's team should be a stronger team with twelve returning members and the experience they lacked this year.

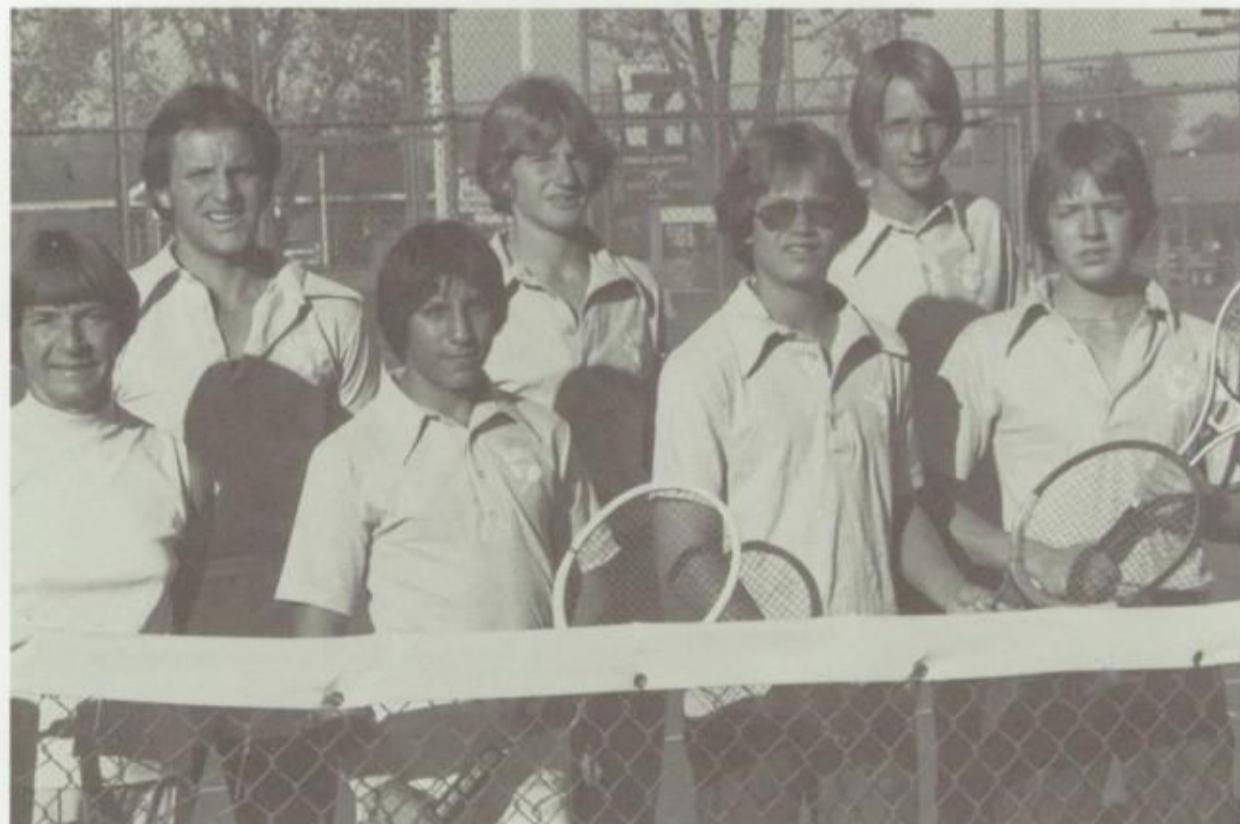

Back row, left to right: Coach Victor Mendez, Leann Grundemann, April Guerra, David Ragnone, Neil Howell, Troy Clark. Front row: James Akerfelds, Grant Crooks, Todd English, Louis Segura, Mike Romero, Marilyn Wright.

# Boys' tennis season disappointing

Mitch Harper works on his form.

Top row, left to right: Mitch Harper, Dave Carmany, Dean Knoll. Bottom row: Janice Mansfield, Coach; Vincent Gonzales; Steve Stevenson; Rich Peterson.

This year, the Boys' Tennis Team of Lincoln had twelve members. It consisted of 5 seniors, 4 juniors, and 3 sophomores. The team had 6 returning lettermen. They were seniors Mitch Harper, Jeff Carter, Chris Zahn and juniors Vincent Gonzales, Bob Matoba and Dave Carmany.

The team coach, Mrs. Janice Mansfield, was the first woman ever to coach a boys' tennis team. She felt the team was a small team, yet a good team with good players.

The Tennis Team lost two close matches, one against North and the other against South. Both scores were 3-4 and all matches were played well.

Coach Mansfield said she really enjoyed coaching the boys' team and will be looking forward to next year. The team will have 7 returning lettermen plus any new members. Next year's tennis team is expected to be as tough as ever.

Sergio Miranda uses his two-handed backhand.

# Gymnasts take 2nd in city

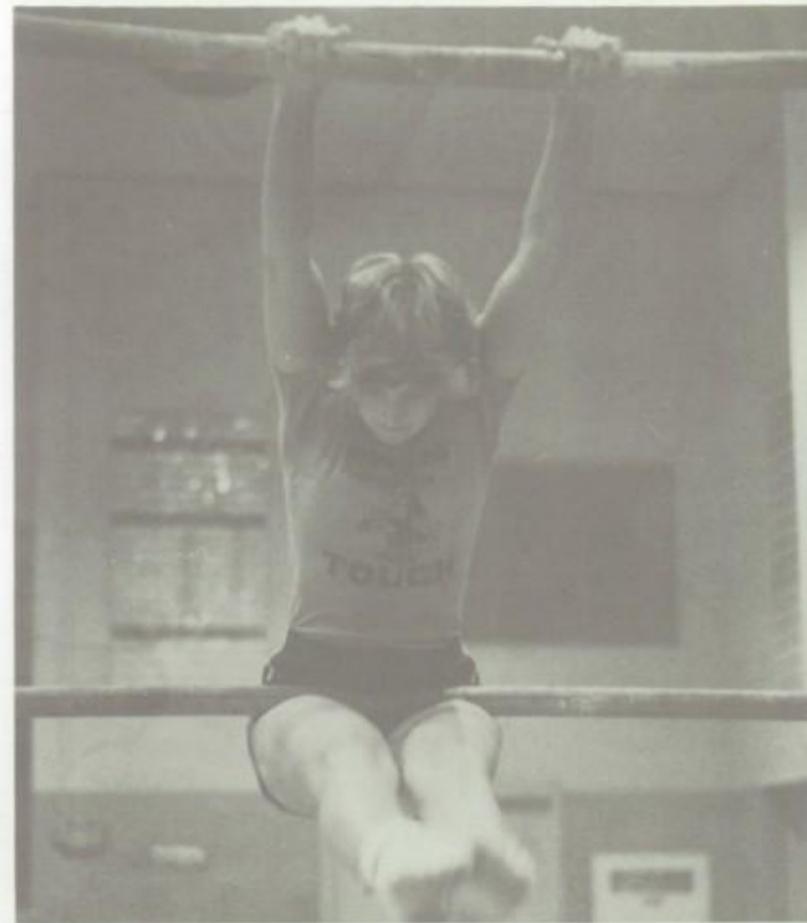

The Girls' Gymnastics Team had a good season with a record of 7 wins and 1 loss, the team losing only to Kennedy.

There were 7 returning letterwomen: Karyl Chace, Jackee Chavez, Linda Dunmire, Cindy Forington, Marcia Kiley, Denise Popper, and Edi Primavera. The team captain was Karyl Chace.

Outstanding varsity "all-arounders" were Edi Primavera, Karyl Chace, Marcia Kiley, and Jackee Chavez. All had a good season. Strong junior varsity members were Diane Basher, Michele Burke, and Zina Gamble.

Next year's team will be without 5 lettering seniors.

Coaching the team was Mrs. Pam Benison. She took over for Miss Limbach while she was on leave.

# Volleyball Team did well

The Volleyball Team had a tough year. With only one returning letterwoman, Sue Duran, the team had a lot of hard work ahead of them. The team played well through the season with a record of 2 wins and 6 losses, and went on to take second in city.

Outstanding varsity players were Sue Young, Sheri Jerdet, Sue Duran, Brenda Novak, and Corrine Main. Next year's team should do well.

The Junior Varsity Team had many strong players. Sophomores Marie Martin and Theresa Penny along with juniors Gail Jensen and Beth Burris were the outstanding players. They had a good season.

Coach Lynn Roll helped the team through the season. There were many thanks due to Mrs. Roll and Junior Varsity Coach, Miss Medcraft. Manager of the team was Gwen Eichman.

# Girls get into swim of things

Under the coaching of Jim Hartman and Diane May, the Girls' Swim Team had a good season. The team had 25 members, 5 of whom were returning letterwomen. Having lost only to Kennedy and TJ in league meets, the team finished with a 6-2 record. In the City Meet, the girls placed 4th, behind Kennedy, TJ, and East. Of the 40 teams in the State Meet, Lincoln came in 14th.

Carol Bush was an All-City swimmer and she placed 7th in the backstroke and 4th in the 100 freestyle swim meet in the State Meet. A new city record for 6 dives was set by Michelle Carter with 238.9 points. Other outstanding swimmers were Lynette Case,

Kathy McKibben, Elaine Penny, Janet McGraw, Mary Carter, Pauline Bush, and Debi Peters.

The Golf Team had a disappointing season, winning only 5 of 16 matches and tying 1 match with Kennedy.

Coach Warren Blair suggested that the reason for all the losses was the lack of experience among most of the players. As the season progressed, scores improved and Blair looked optimistically towards next year's team.

The team had inter-squad playoffs each week to determine eight members who would play in the next match. Six of the eight played and the other two were alternates.

Seniors with the best scores for 18 holes were team captains Gregg Girtin (78), Joe Distefano (80), and Jim Dufficy (90). Outstanding juniors and sophomores were Lorenzo Herrera (84), Bob Case (90), Trent Pierce (90), Roland Hilgers (90), and Alan Freyta (84).

# Lancers have tough season

Every fall, for years uncounted, young men devote three months to a sport called football. Last August, being no exception, 33 gentlemen were found on the Lincoln football field diligently running and rerunning plays in an effort to get ready for the upcoming season.

Coaches Otto Schroeder and Mel Hornecker weren't exactly feeling secure as they viewed their troops. They saw only two returning starters and six returning lettermen. However, this inexperienced team wasn't without talent or potential. The already proven talent came from fullback Tom Peterson, tackle Andy McPhie, and safety Phil Capra.

The main ingredient that was lacking was the leadership that it takes for a winning team. Coach Schroeder felt that it would surface as the season went on from people like Steve Mayden and Brent Howell. Unfortunately, injuries also plagued the Lancers this

year as Pat Smaldone and Steve Sedbrook were lost due to knee injuries.

Lincoln also had the distinction of being the first team ever to play a night game at the All City Stadium at South High School which they lost to Bear Creek 22-12.

The season followed in much the same manner with only a few bright spots such as the win over Greeley West 27-21.

Coach Schroeder looks forward to next year with a lot of depth and experience in Mike Billinger, John Cordova, Rob Prudhomme, Randy Poindexter, and Greg Hamilton.

At any rate, Schroeder and Hornecker can start all over again next year with a brand new decade and, hopefully, brand new luck.

## Sophomores follow Varsity's example

Back row: Meeker, B.; Vaughn, M.; Algiene, E.; Shipley, M.; Archuleta, T.; Ballard, C.; Hunt, B.; Moritzky, G.; Economakos, P. Second row: Coach Wilson; Gray, M.; Medina, M.; Roberts, S.; Martinez, J.; Smith, A.; Duncan, J.; Valasquez, J.; Murphy, R.; Ornelis, M.; West, D.; Duran, T.; Coach Zott; Galvin, J. Third row:

Gallegos, R.; Hunt, D.; Dickey, J.; Castro, D.; Hernandez, M.; Dowling J.; Troeger, S.; Catanach, J.; Prokap, A.; Cordova, T.; Cowgill, C. Fourth row: Wallace, S.; Delve, D.; Gomez, J.; Stack, R.; Ashworth, G.; Robertson, K.; Carrasco, T.; Montoya, J.; Riggs, A.; Thompson.

This year's sophomore football program had one of the biggest teams in recent years and included a lot of good talent. Coach Zott and Coach Wilson taught the team the new Lancer football system and think this year's team will be a great contribution to next year's varsity squad. The sophomores improved with each game as the season progressed. They played all the league leaders tough, winning the statistics' battle but not the points' battle. Captains voted by the team this year were Brian Meeker and Artie Smith.

# Soccer Team falls short, again.

Back row, l to r: Ertle, H.; Mullen, G.; LaPlante, B.; Berghorn, E.; Roberts, M.; Rauen, M.; Ingraham, A.; Tygrett, D. Middle row: Coach Montejo; Chester, J.; Burgesser, D.; Montgomery, M.; Dragon, T.; Sanders, S.; Spencer, K.; Martinez, E.; Raidy, M.; Perdew, M. Bottom row: Ballinger, R.; Woods, A.; Wolke, T.; Kowalski, G.; Ipson, T.; Berns, R.; Lee, M.

The Lancer Soccer team has been a strong contender in the DPL for the past few years and this year was no exception. This year's team was very young and was made up of mostly juniors and sophomores along with a few experienced seniors. The Lancers lost tough games to Manual and Kennedy but are sure to be a contender in the district playoffs which may lead them into the state tournament. This year's team got excellent play from senior Dean Tygrett, junior Mike Roberts, and sophomores Rick Berns and Mike Montgomery. Senior Greg Mullen also provided strong defensive support.

The Junior Varsity also had a very good team. They were undefeated in league play and are sure to make the Lancer varsity team powerful in the coming years.

# And the spirit goes on . . .

The Lincoln Lancer Pep Club had a lot of enthusiasm behind them again this year. The spirit kept going with the help of the sponsor, Miss Betty Harmon. Officers of the club were president, Kathy Gerace; vice-president, Karen Head; secretaries, Felicia Taylor, Cindy Novak, and Debbie Rogers; treasurer, Tami Thoma; drill captain, Valena Smith; and historian, Cindy Stanley. There were one hundred very spirited girls.

The "Peppers" worked hard gaining points by

attending events. They sold buttons for money-earning projects and made posters and decorated halls to promote school spirit.

The biggest thing this year was the sponsoring of the Homecoming Dance, and the performing during halftime at the game. The "Peppers" helped celebrate Mickey Mouse's 50th birthday. They practiced very hard in the main hall for two weeks to make their routines a success.

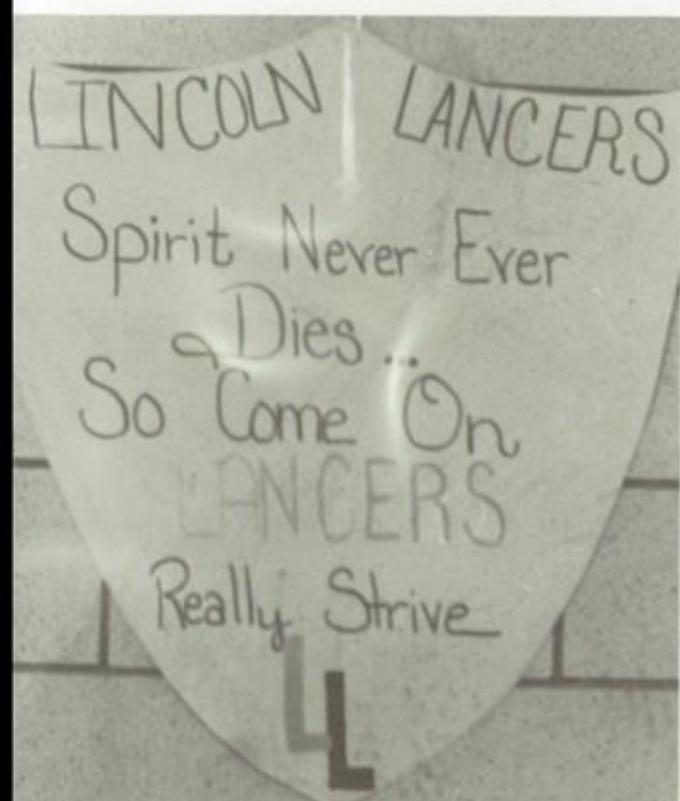

They've got the spirit.

# “L” Club gives athletic support

One of the best established clubs at Abraham Lincoln, the L Club, consists of the lettermen from the nine sports men participate in. For 11 years the L Club has done many things for athletic participation and school spirit. This year is definitely no exception. To start off the year they co-sponsored Homecoming with the Pep Club. Another activity planned for the year was a Gong Show, giving students a chance to express their talent. The L Club Athletic Banquet was held at the end of the year, honoring outstanding athletes for their dedication throughout the year.

This year the officers were Phil Capra, president; Andy Coffern, vice-president; Dean McVicker, secretary; Pat Smaldone, treasurer; and Brian Lechman, sergeant at arms. Otto Schroeder was the club's sponsor.

# Octagon Club helps community

The Octagon Club is a branch of the Southwest Denver Optimist Club designed to provide services to people and students in and around the community. Formed in 1969, the club has continued to show progress in influencing student activity at Lincoln. Some of the projects they accomplished this year were the Youth Appreciation Banquet that honored outstanding students from Lincoln, Kunsmiller, Kepner, Rishel, Morey, Horace Mann, and Lutheran. They also sponsored a volleyball game between the teachers and club members that

resulted in the thrashing of our fearless educators. The match raised money for charity. The club held their annual Tri-star Basketball Contest for kids 9 through 13 years of age in February. They also sold stocking caps during the year.

The club officers this year were Pat Smaldone, president; Dean McVicker, vice-president; Andy Coffern, secretary; Kevin Rude, treasurer; and Dennis Jones, sergeant at arms. The club sponsor was Mr. Otto Schroeder.

# Mountain Club reaches new peaks

Mountain Club is made up of people who love the beauty of the outdoors and want to keep it that way. The Mountain Club is for fun, but it also wants people to realize the importance of the mountains. The club helped the forest service build trails for hikers and helped keep the mountains clean for everyone to enjoy.

The club goes all over the Rockies to go hiking. They have gone to such places as Royal Arch near Boulder and Centennial Cone which is close to Central City. If you don't like any of these places you might like to try Gem Lake near Estes Park, or maybe you would like to go hiking on Goose Creek above Pine. If it is snow the members like, the club goes cross-country skiing. For those who can't ski, there is snowshoeing or maybe snow tubing. Once in awhile a few members of the club even go overnight camping and meet the rest of the club the next day on the trail. A few other things the Mountain Club has come up with are rafting, fishing, horseback riding and ice skating.

The students who were in charge of all these activities were Brenda Williamson, pres.; Rena Clem, vice pres.; Sandi Clem, secretary; and Susan Blakely, treasurer. The club was sponsored by Mr. Ralph Brotén who spent much of his time to make this one a fun club.

We made it to the top.

# Limelighters and Thespians look forward to an exciting year.

With lots of good plays and outside projects in the offing, Limelighters and Thespians looked forward to an exciting, drama filled year.

Limelighters is the formal name for Abraham Lincoln's drama club. Thespians is an international organization which has the purpose of advancing and improving the dramatic arts in high school. Membership is limited to drama students who have earned 100 hours of credit points obtained through acting, directing, or working on stage crew. Drama club met on Tuesday

afternoons to plan club activities and drama projects. This year drama club sponsored a theater tour of London, which included tours of London and the opportunity to attend four current plays.

This year the officers were Maureen Mack, president of Limelighters and Thespians; Sue Kornman, vice president; Becky DeLio, Thespian secretary; Terry Leslie, Limelighter secretary and Mike Cleese, Treasurer. Mr. Ron Ingle was sponsor.

# Abraham Lincoln presents THE HAUNTING OF HILL HOUSE.

THE HAUNTING OF HILL HOUSE was put on by students of Abraham Lincoln on October 11, 12, 13, and 14. The play was well received by an audience of 500. The play was about a group of people selected to meet in Hill House to test why it's haunted and attempt to bring out the spirits. The play was directed by Mr. Ron Ingle and student directed by Polly Noone.

## Drama Club does Simon

Neil Simon's comedy *A PRISONER OF SECOND AVENUE* was presented by the Abraham Lincoln Drama Club on November 30 and December 1. The play was about Mel, a New York business executive, who loses his job and has a nervous break-down, and his wife, Edna, who tries to keep things under control. The play was student directed by Terry Leslie.

The Advance Drama Class presented *THE WIZARD OF OZ* on January 20 and at other schools, hospitals and libraries on various dates following. The play was student directed by Jenni Meir. Both plays were directed by Mr. Ron Ingle.

Mel (Mike Cleese) contemplates his future.

Scarecrow, Dorothy, and the Tinman (Mike Cleese, Maureen Mack, and Brenda Novak) follow the yellow brick road.

The Wicked Witch of the West (Terry Leslie) does her thing.

Mel and Harry (Mike Cleese and Brian Leachman) confabulate.

# SHOWBOAT received enthusiastically

SHOWBOAT, first produced in 1927 and revived for Broadway in 1946, was considered a novelty for the times, scandalizing for its candidness and for dealing with subjects that were all but illegal (and WERE in some cases).

Produced for the first time on a high school stage, Lincoln's version of SHOWBOAT was a great success, one of the classiest productions the school has ever undertaken. SHOWBOAT appeared on March 1, 2, and 3.

# Sophomores strive for spirit

This year, a group of sophomore students were elected by the sophomore student body to lead them through their initial year at Abraham Lincoln High School. This group, the Sophomore Class Council, is a bunch of bright, energetic students willing to give their all to make the class of '81 an exceptional and outstanding class.

President Jeff McVicker and Vice-President Micki Perez both stressed the importance of student spirit in reaching their goals this year. They believed more students had to participate in school activities to make the year a successful one. These things being accomplished, surely the class of '81 will be a great way to start off a new decade.

Assisting the president and vice-president this year were Helen May, secretary, and Mike Carter, treasurer. Student Senators also providing help to the officers were Larry Anderson, Todd English, and Jan Richardson. Mr. Fred Warren is the class sponsor.

# Swimmers take City.

The Lancer Swim Team had another excellent season this year. They continued their string of consecutive league wins totaling 63 and took the city championship for the sixth straight year. The Lancer's toughest opponent was Kennedy. Their dual meet was very close and went down to the final relay, which Lincoln won. Lincoln won the city title by about 30 points over Kennedy.

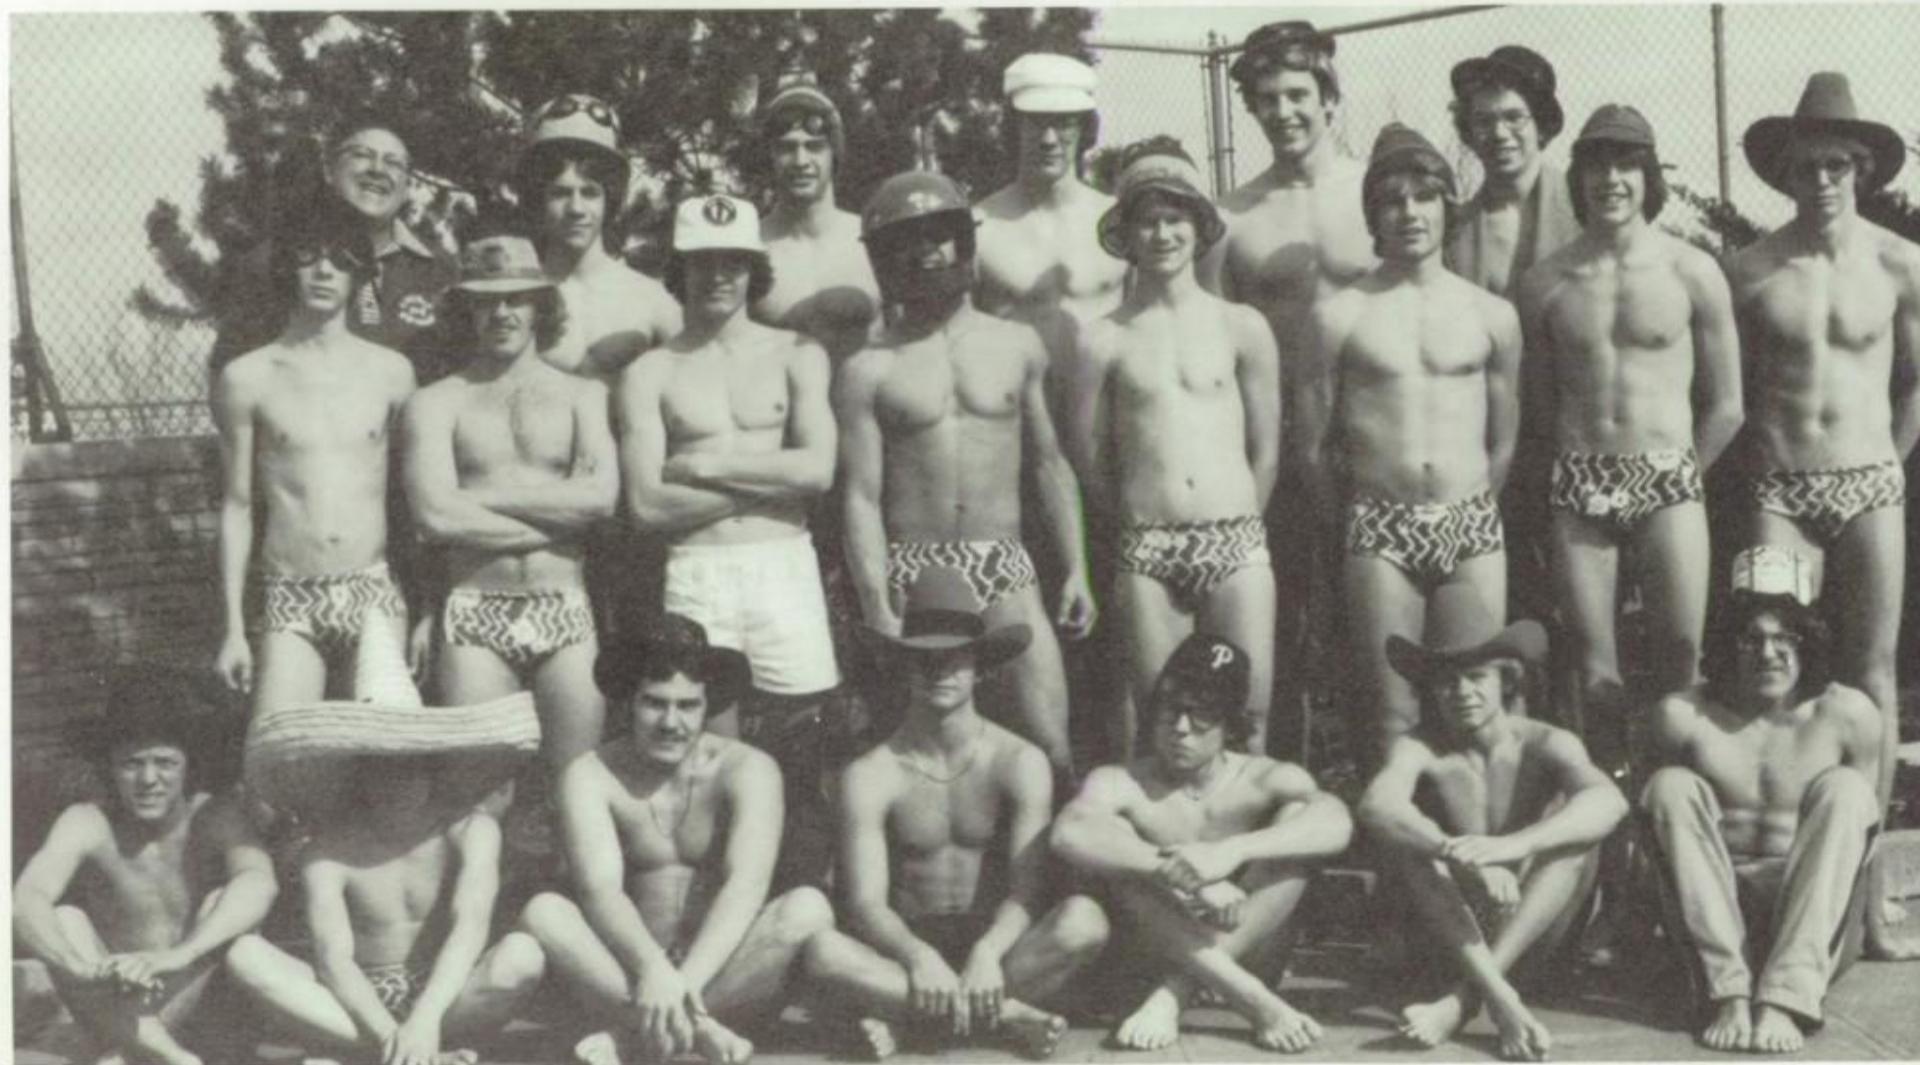

Lincoln sent 9 swimmers to state this year. They were Jeff Carter (who is the number one recruited diver in the nation and returning state champ), Craig Bush, Mike Carter, Tom Carey, Ken Classen, Mike Rauen, Robert Case, Steve Sanders, and Jim Dufficy.

## J.V. jumps to number one

Why do they have me covered?

The Girls' Junior Varsity Basketball Team had a very successful season. They fought their way to the top to finish with the best record in the Denver Prep League; 14 wins and 2 losses. The losses were to George Washington and Thomas Jefferson. The team also had a tough time against arch rival, Kennedy.

The team had a good turn out at the beginning of the season with fifty girls trying for one of the fifteen positions on the squad. The team was relatively young with only four returning girls. The team responded well to new coach, Mr. Stanley Gresham. This powerful squad should give the varsity team another strong team next year.

# Girls' basketballers win trophies

"I think it's fun because the girls are enthusiastic and hard-working," stated new head-coach Warren Blair about coaching the 1978-79 Girls' Varsity Basketball Team.

The team played a round-robin schedule which means they played each league team twice. The first eight games were divided into three mini-tournaments and the team with the most wins in each tournament won a trophy. Lincoln won the most games during each tournament and received all three coveted trophies.

The girls' final season record was 14 wins and 2 losses, both to Kennedy. This record makes the girls the only basketball team from Lincoln, girls' or boys', to achieve such a winning record.

# J.V.'s need experience

James Marrs skies high for the ball.

The 1978-79 Lancer J.V. Basketball Squad had trouble again this year. The team lacked confidence and was very inexperienced. Only a few men had the experience to play quality ball in high school. Coach Hessel attributed this to an absence of basketball programs at the junior high level. He felt the much needed play in the first round would help develop the team's play during the second round. At the time of this writing the squad needed more than experience. They were getting blown out of the gymnasium, being outscored by over 20 points in many of their games.

This year's team had fine play from juniors John Cordova and Steve Abeyta and from sophomore Eric Berghorn.

# Varsity Basketball has a tough year

This year's Varsity Basketball Team had a typical finish. At the time of this writing they had 3 wins and 10 losses, winning against Kennedy, North, and South. The Lancers lacked experience, having only one returning letterman, Tim Betz. The team consisted of seven seniors: Tim Betz, Brian Leachman, Ray Lopez, Tim Romero, Gary Rogers, Tim Willoughby, and Chris Zahn, and five juniors: Steve Abeyta, John Cordova, Tim Leonard, Alan Lopez, and Randy Mashek. The Lancers were coached by Mr. Mel Hornecker.

This year's outstanding player was Tim Betz, who moved up to 4th in City, averaging about 16 points per game. His best game was 28 points.

With five returning juniors, next year's team should show an improvement.

# Wrestlers taking down opponents

Wrestling is alive and well at Lincoln High School. This year's squad had a good turnout of over 50 boys, including 22 sophomores. Despite a few lettermen electing not to return this year, the Lancers had a very good season and possessed the enthusiasm of true champions. The team will be losing 5 varsity wrestlers, but Coach Klune feels the J.V. program, which many schools can't support, will help develop wrestlers to fill the vacant spots. This system will continue to make Lincoln's wrestling program one of Denver's best.

Wrestlers having a fine season at the time of this writing were Wes Gasner (13-0), Mike Hines (9-1), Brad Brown (10-3), Steve Mayden (9-3-2), Alan Ingraham (9-5), Steve Willmarth (8-5), and Vance Urioste (5-1).

The team elected two captains this year. They were seniors Steve Willmarth and Bruce Ingwers.

# Ski Benders bend on in 79

The Ski Benders had a very slow and discouraging start. Many trips were planned for the season, including two night trips to Keystone and a Saturday trip to Vail. Fortunately the snow was better than last year's but the lack of interest from the students proved the problem in getting to the slopes. This year's officers were President, Mark Montano; Vice President, Diane Heindricks; Secretary, Marcia Clute; and Treasurer, Mary Nieman. The sponsor for this year was Mr. Stockham.

# Choirs have a successful year

Membership in the Senior Jazz Choir is by audition only. The students accepted are considered to be the most experienced and outstanding singers in the total music program and are expected to be extremely dedicated to Jazz Choir objectives.

The Junior Jazz Choir is based on the same principles as the Senior Jazz Choir; the juniors are given an extra year to tune their ears to the ways of the Senior Jazz Choir.

One of the largest choirs at Lincoln is the Concert Choir. It consists of both juniors and seniors. It is an organization which provides an opportunity for those interested and musically capable to be exposed to the more difficult and challenging musical literature of both classical and contemporary composers.

The Sophomore Choir is available to all sophomores who feel they would like to further their musical education and participate in a large singing group at Lincoln.

# The beat goes on

Lincoln instrumentalists participated in many varied performing groups including Concert Band, Wind Ensemble, Jazz Ensemble and Orchestra. The Concert Band and Wind Ensemble combined to make up the football and marching band. The Wind Ensemble and Jazz Ensemble are a select group of musicians. These two groups perform extensively at festivals and elementary, junior and senior high schools in the Denver area. Many of the top players also participated in a musical theatre orchestra to perform the Broadway musical "Showboat."

In addition to the above school bands and orchestras, Lincoln students auditioned for All State Band and Orchestra, and City Wide Band, Orchestra and Jazz Ensemble. This year the City Wide Band was selected to perform at the regional convention of the Music Educators National Conference at the Broadmoor Hotel in Colorado Springs on Saturday, Feb. 3, 1979. The band was selected in competition with high school bands from eight states.

# ROTC on the move!

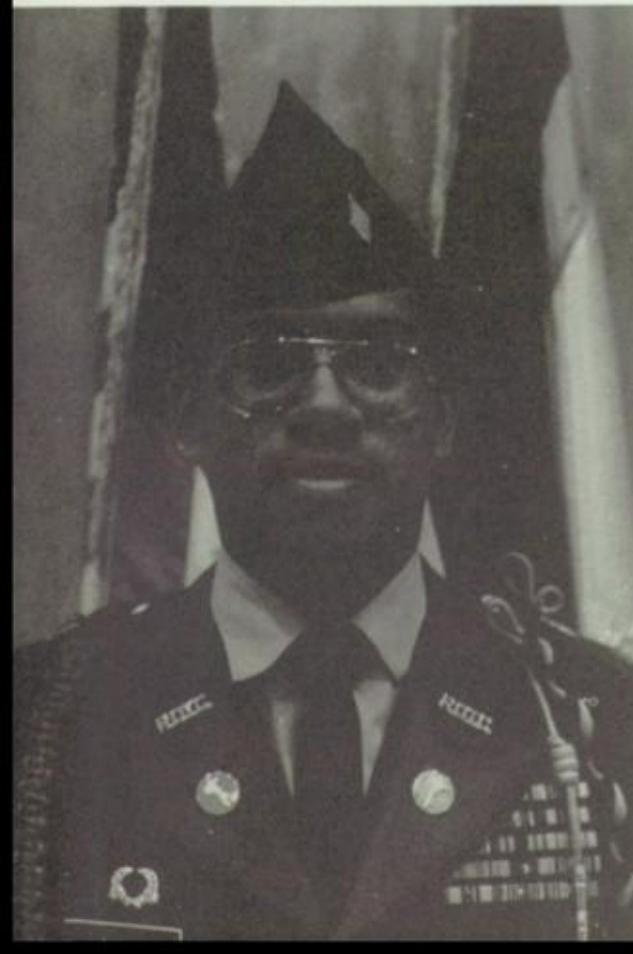

The Reserve Officers Training Corps here at Lincoln has had a very good reputation and this year's squad was no exception. Kunsmiller's ROTC, which is a satellite of Lincoln's, has also done very well again this year.

ROTC is an organization which develops a knowledge of basic military skills in young men and women. It gives them a chance to compete with good sportsmanship and honor and also brings out qualities such as leadership and self-reliance.

The activities that Lincoln's ROTC were involved in were rifle matches which were held weekly on Wednesday for the girls and Thursday for the boys, drill meets, and the state meet which was held in March. The color guard performed at Nugget games and sold popcorn to raise funds. Lincoln's ROTC hosted the Brigade Christmas Jam, which was a very big success.

Along with all the activities ROTC was involved in, each member always strived to make their school and community the best yet as this decade came to an end.

# Junior Class better than ever

Every Wednesday morning at 7:00 o'clock the dull, empty room of sponsor Mrs. Layman would suddenly fill with the bright ideas and suggestions of the Junior Class for the upcoming year. Although fund raising was a problem, the class did sell Lancer buttons, T-shirts, and candy during school. The class of '80 did sponsor a Disco Dance in November.

President Karen Saucedo worked hard to build the Junior Class to be one of the finest ever to come out of Lincoln. Others helping in the effort were Toni Schermerhorn, vice-president; Jenny Janz, secretary; Lisa Leverett, treasurer; and about 20 other juniors. Together they made the class of '80 the best of all.

# Abe's Babes are on the run

"Abe's Babes," Lincoln's Girls' Track Team, were expected to be very strong this year, according to Coach Stan Gresham. The team had four returning members, and 18 new members.

The team's strength seemed to lie in the 440-yd. relay, 2-mile run, and the shot put and discus events. First, second, and third places were taken in these events in the girls' first meet this season.

Returning letterwomen were Leslie Moncrief and Leslie Parks. Other members from last year were Robin Cummings and Pam Marquez. Outstanding sophomores, this year, were Sharla Broom, Zina Gamble, Julie Gray, Leann Grundemann, and April Guerra.

Mitch Harper slips a disc.

Of the 50 members on the Boys' Track Team, 13 were returning and 5 had previously lettered. The team was strong in middle distances, the half-mile and mile, and the long and triple jumps.

Coach Hessel said of the team, "It's really a rebuilding year and it's difficult to say where we'll place in the city meet. It depends on how the younger kids improve."

Outstanding members of the team were Brian Lechman, Brent Howell, Delanie Pfeifle, and sophomore Mark Perdew.

# Lancers defeat Commanders.

The Girls' Tennis Team of Lincoln started out well this season, losing a close match to George Washington. They then won over Alameda and beat the Kennedy Commanders 6-1 in a great victory.

Janice Mansfield, coach of the Girls' Team, feels the team is playing terrifically. She hopes the girls will continue to play well and earn a high ranking in the City Tournament.

Returning tennis players for Lincoln are Shari Yablonski, Bernie Falsetta, Sue Young, Karen Graige, Kathy Lee, and Janet Graige. New members of the team are Mary Nieman, Linda Ivey, Sue Blaser, Janice LaMunyon, Gail Jensen, Kathy McQuery, and Loretta Montoya.

# Girls' Soccer determined to win

This year's girls' varsity soccer team was composed of twenty-two players. Twelve of them were returning letterwomen, which gave the team depth. Coach Ed Montojo felt the girls had great potential and skill. Their toughest competition this year came from Kennedy and Manual. The team was comprised of many outstanding players, many of whom will be returning next year. Coach Montojo said next year will be a rebuilding season, and hopes it to be a good one.

# Gymnasts go head over heels

This year's gymnastic squad consisted of twelve enthusiastic gymnasts. The team was a young team with only one senior. Though the team was young, it did not lack effort or talent. Coach Ron Albright said that Andy Solis is a very promising gymnast and expected him to do very well in the city meet. Coach Albright, with one meet behind them, expected to have a very strong team this year and looked forward to next year and the following years.

# Junior Varsity lacks leadership.

This year's Junior Varsity Baseball Squad was made up of good, consistent talent that had the potential to take the city title. The team, consisting of eleven sophomores and two juniors, showed signs of inexperience in their first few outings but should improve in time.

"What the team needs most is a leader, someone who can take control on the field," said coach Jack Girtin. That lack of leadership was evident in the team's heartbreaking loss to rival Kennedy, 8-7. Coach Girtin is counting on Eric Berghorn, Jerry Dowling, and Paul Economakos to provide this missing ingredient. With the varsity team already loaded with talent for next year's squad, the Junior Varsity should give the team great depth.

Eric Berghorn awaits the pitch from Rod Loos.

# Varsity has high hopes.

This year's Varsity Baseball Team was looking forward to a good season. Coach Haggerty felt Kennedy, T.J., and North should be tough competition in the city, but at the time of this writing, Lincoln was 3-0 with a thrilling win over Kennedy.

The Lancers had 7 returning lettermen on the team. They were Truman Aumiller, Phil Capra, Dean McVicker, Gary Rogers, Kevin Rude, and two all-city players, Steve Sedbrook and Pat Smaldone. Also making the cuts were seniors Randy Helling, Greg Mullen, Tom Peterson, Jeff Vaughn, and Joe Walters. Juniors who made the squad were Mike Billinger, Greg Hamilton, Todd Helling, Randy Mashek, and Jim Walters. Next year with this returning talent, Lincoln should continue to be city contenders.

As an aside, Lincoln played the second half of the season in the new facilities at South High. This included 5 night games.

# Student Senate fights for improvement

The Student Senate is a special group of students who are interested in making Lincoln better than it has ever been. The Student Senate encourages school participation and promotes school spirit. This year they tried new techniques to get people involved with the school and used some of the old ones, too.

The Student Senate organized such things as the Presidents' Roundtable where the presidents of all the clubs got together and discussed the activities that they have planned. Operation Cheer, in which they gave a Christmas party to children who ordinarily wouldn't have had one and the rewriting of the school constitution, bringing it up to date, were just a couple of things that they did. A few things that were done to raise money for the betterment of the school were having a candy sale and selling Gold C. Books. They also raised money to benefit the Kidney Foundation by having a Denver-Bronco-football and a kidney-bean contest.

The Student Senate was organized under Chip Nielsen, Head Boy and Judy Elsen, Head Girl. The sponsor was Mr. Pat Haggerty.

Some of the activities included Spirit Week, Operation Cheer, Birthday Ball and sales of Gold C Books. The Delegate Assembly helped involve the whole student body in earning money during National Kidney Foundation Week.

Delegate Assembly representatives were chosen by their third hour classes. They reported to meetings every other Wednesday and helped improve the communication between Student Senate and the student body.

The Lincoln Speech Team is designed for students who enjoy competitive speech. Mrs. Margaret Kenna, as the sponsor, teaches the students to express themselves and communicate more successfully orally.

Students who compete in individual and debate events are able to earn points. By earning twenty-five points, the student becomes a member of the National Forensic League. This enables the student to be an eligible judge for speech events.

Events for Lincoln students are held in different schools throughout the Colorado-Wyoming area. The events they compete in are Extemporaneous Speaking, Original Oratory, Interpretation of Drama, Humor, Poetry, and Oratory.

The officers of the Speech Team were Jim Ridgeway, President; Cathy Tafoya, Vice-President; and Autumn Brant, Secretary-Treasurer.

## D.E.C.A. has busy year.

Distributive Education is a program for juniors and seniors who are interested in careers in the fields of marketing and distribution. This includes retail store careers; wholesale; travel and recreation; petroleum marketing; service careers, like banking and insurance; floristry; and food marketing. The program includes the related classroom plus the on-the-job training and youth activities. Students receive school credit for both the class and the job.

The activities are organized in the D.E.C.A. CHAPTERS (Distributive Education Clubs of America). D.E.C.A. Chapters are to DE students what a civic or professional organization is to a group of business people. Chapter activities are recognized as part of the total Distributive Education educational program because of their development of leadership ability, professional attitudes, better citizenship characteristics and social growth of the individual. D.E.C.A. serves as an avenue of expression for individual talent.

Lincoln D.E.C.A. has participated in the District competitive events at the State Leadership Conference at the Broadmoor Hotel in Colorado Springs. They are involved in service projects with local nursing homes; enjoy breakfasts and socials with other clubs; promoted the Mr. Muscleman contest at Lincoln, and sponsor fund raising events to cover expenses for the activities.

This year D.E.C.A. officers were Ron Daiker, President; Margaret Coran, Vice President and Program Chairman; Yvette Balint, Secretary; Craig Burdette, Treasurer.

Death be not proud, though some have called thee  
Mighty and dreadful, for thou art not so;  
For those whom thou think'st thou dost overthrow  
Die not, poor Death; nor yet canst thou kill me.  
From Rest and Sleep, which but thy picture be,  
Much pleasure; then from thee much more must flow;  
And soonest our best men with thee do go —  
Rest of their bones and souls' delivery!

Thou 'rt slave to Fate, chance, kings, and desperate men,  
And doest with poison, war, and sickness dwell;  
And poppy or charms can make us sleep as well  
As better than thy stroke. Why swell'st thou then?  
One short sleep past, we wake eternally,  
And Death shall be no more; Death, thou shalt die!

Every year the group raises money and H E R O is at it again this year. They sold such things as calendars, stationery, and posters. During the year they sold candy and "frustrated" pencils to the students and teachers at Lincoln. All the money earned from their projects helped organizations in the community. A check was also donated to the school social worker for her help throughout the year.

The sponsor for the club was Mrs. Elsie Ballinger. Thanks from the club were given to Mrs. Ballinger for her support during the year.

# Bowling strikes success

There was a trace of bowling in this country at the time of the earliest colonists in Massachusetts. The sport didn't begin to boom until the invention of the automatic pin-spotter. Abraham Lincoln High School's Bowling club is helping the sport grow with its many new members. The club meets every Wednesday at Crown Lanes. Tournaments are held with the bowling clubs from Thomas Jefferson, John F. Kennedy, West, and other high schools throughout the year. After the Lancers and the Commanders had two tournaments, the score was one win for Lincoln and one for Kennedy. The two teams have set up one more tournament to break the tie. Awards are given to the bowlers at an annual banquet near the end of the year.

Lincoln's Bowling Club has a new sponsor, Mr. Lucero, who has given the club many new ideas. Officers are Micki Wilson, President; Carol Stabenow, Treasurer; and Lynette Anderson, Secretary.

# Lincoln bridge builders crack up

It was a shattering experience for all involved. That's the best way to describe the Bridge Building Contest held during the week of January 15-19. The participants, students of Mr. Einarsen's and Mr. Weimar's physics classes, designed their bridges to withstand the most weight. Their efficiency was decided by dividing the amount of weight the bridge held by the weight of the bridge itself.

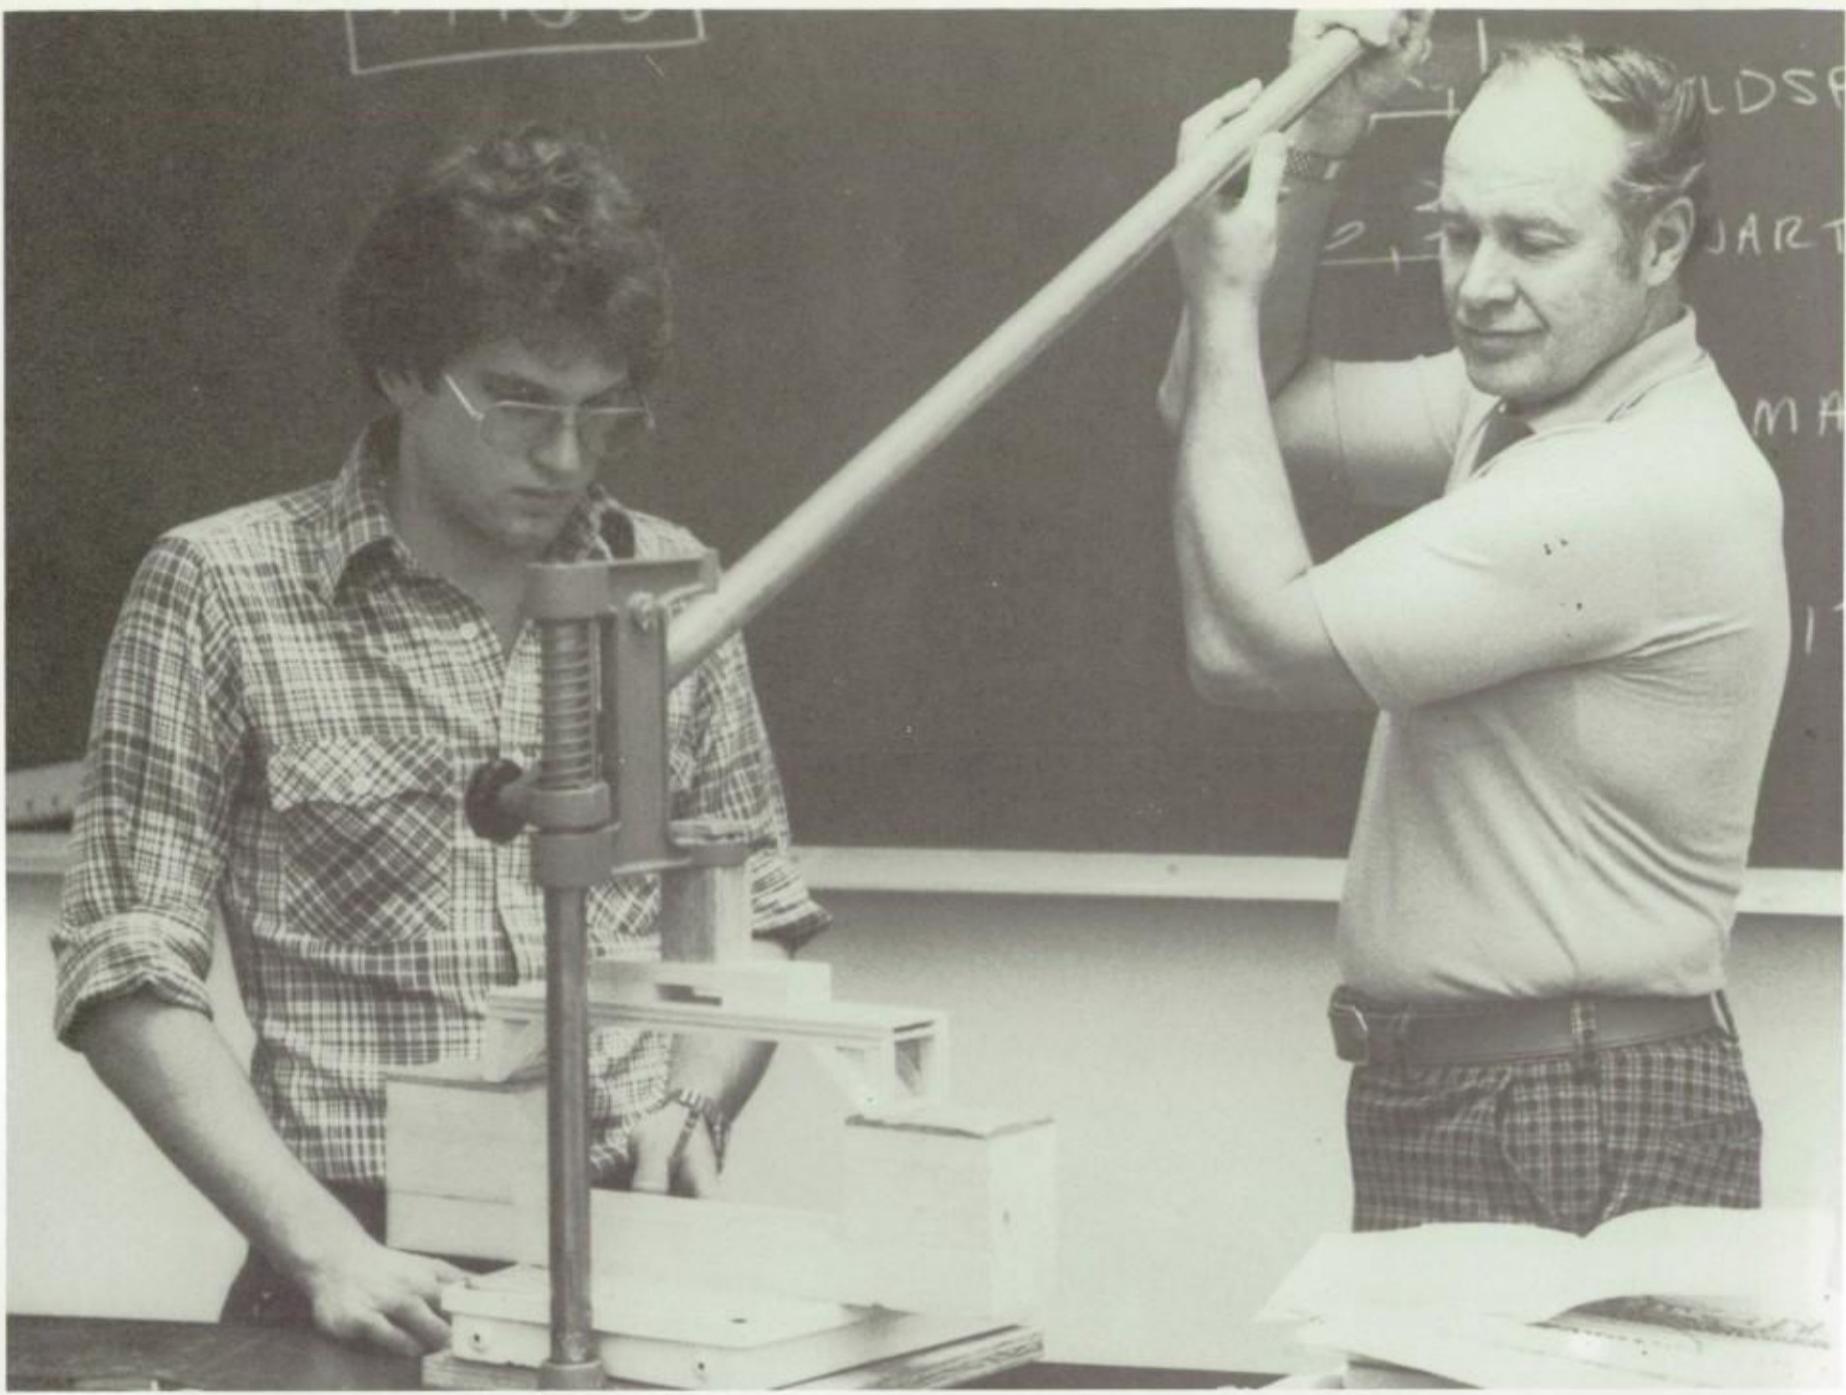

There were many successful entries and some that were not so successful. The three best bridge builders traveled to state competition held in February. They were Linda Dunmire, third place winner, who had a bridge ratio of 2684 pounds; Teresa Zornes, who had a bridge ratio of 2816 pounds; and Hoa Vu, whose first place bridge held 2850 pounds before shattering. There were 84 entries competing in this year's event. Mr. Einarsen was also Lincoln's sponsor in the contest.

# College and career counseling prepares students for future

A new addition to the yearbook was college and career counseling, whose purpose was to advise and aid students in preparing for the future. Mr. Joseph Klune was the career counselor, he helped students to find jobs and to plan their careers. The college counselor was Mr. John Adams, who helped the students become aware of which colleges are available and what they have to offer.

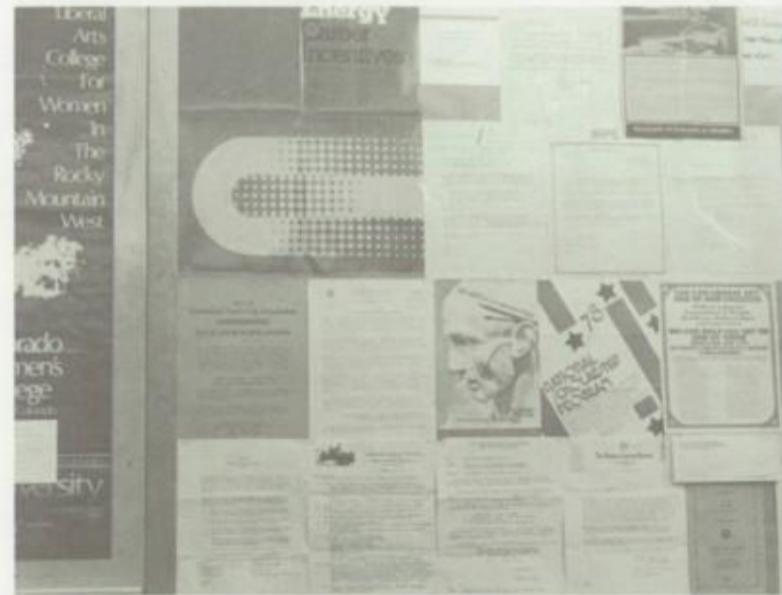

Throughout the year there have been college representatives giving talks, out-of-state college meetings and meetings which introduced students to what kind of scholarships were available.

# Fashion Board starts off slow

Tryouts for Fashion Board were held in September. There were twenty-one new girls selected as members of the club. Acceptance was based on appearance, personality, poise, and an interview. Fashion Board planned several activities such as breakfast and fashion shows. The fashion shows were designed to show good grooming fashion ideas and appropriate social behavior for girls of Abraham Lincoln. The officers of Fashion Board were: President, Karla Winberg; Vice-President, Doreen Valdez; Secretary, Shirley Castaneda; Treasurer, Sherry Jerdet. The sponsor was Mrs. Kelly.

# Close Up views government closely.

The Close Up group is a group of students that traveled to Washington, D.C. to examine the Federal Government closely. They found out what the United States government is and how it operates. The club learned who the representatives in office were and how they did their jobs.

The Close Up group left Denver for Washington, D.C. March 18th, for a one-week visit and returned March 24th. The total trip cost them \$510; \$325 went towards the tuition and the other \$185 went for their plane ride. In order to raise money for their venture they had candy sales and brought a movie to the school and sold tickets to it. The movie was *SMOKEY AND THE BANDIT*.

Eight students participated: Shelly Billinger, Marcia Clute, Sue Duran, Judy Elsen, Chip Nielsen, Cindy Novak, Tracy Philpot, and John Rocchio. The sponsor was Mr. Jack Girtin.

# LASC recognizes their heritage

The Latin American Student Club started out the year with a small group, 12 members. LASC met every Tuesday at 2:30, while the Latin dancers practiced 5-7 every Tuesday. The officers of the club were Pauline Gomez, President; Roberto Jaramillo, Vice-President; Yvonne Bermudez, Secretary and Yvette Gomez as Treasurer. The club sponsor was Mr. Gil Ortez.

The purpose of the LASC is to help Chicano students become aware of their culture through music and dance.

One of the club's main features is the Latin dancers. This year the club had 15 Latin dancers, who performed in school as well as outside of school. In December, the dancers put on a show at Heather Gardens for a women's group known as Zanta. This year's LASC hoped to participate in the Fiesta Cinco de Mayo, on May 5.

The Latin American Student Club hopes to be more active and to have more members next year.

# The Lincoln Log keeps a-rollin'

Being on the Lincoln Log staff is

- getting assigned stories you know nothing about.
- writing about practically non-existent clubs.
- misusing your press pass to go to the lunch room.
- addressing 60 envelopes for exchange papers.
- licking 60 stamps to mail exchange papers.
- getting put off for an interview 7 times.
- finding all the errors in the paper, AFTER it has been printed.
- taping 200 advertisements in the halls to try to sell the paper.
- trying to cover every event, club, dance, award, and play in school.
- having to sell papers in competition with an ice cream social . . . then a Bronco highlight film.
- getting a story exactly 323 words long so that everything will fit right on the page.
- accidentally getting a headline printed 3 feet long.
- being cheerful and courteous while selling papers, even though no one is buying them.
- feeling good because one more issue of the Lincoln Log is out.

Barry Hawkins, editor-in-chief.

Mrs. Frances Toepfer, sponsor.

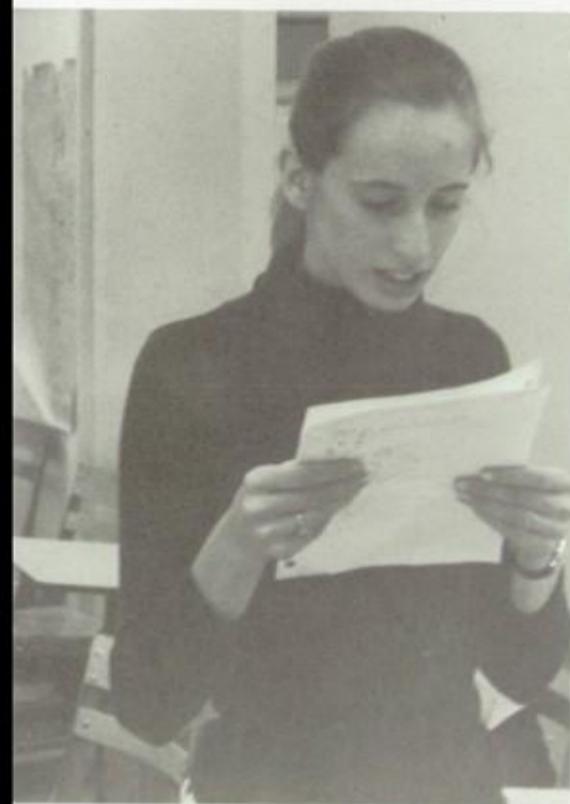

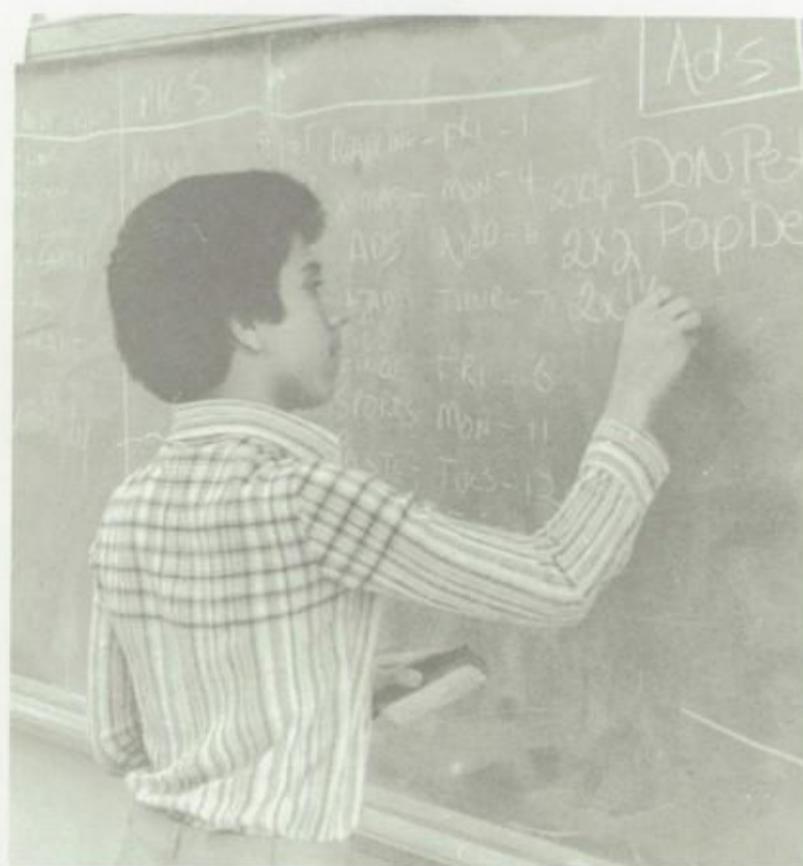

Larry, you can't put THAT in the paper!

THIS is supposed to be funny?

Maybe this time I got the facts straight.

Posting ads. What fun!

I hate rewriting!

# Yearbook Staff completes the book on schedule.

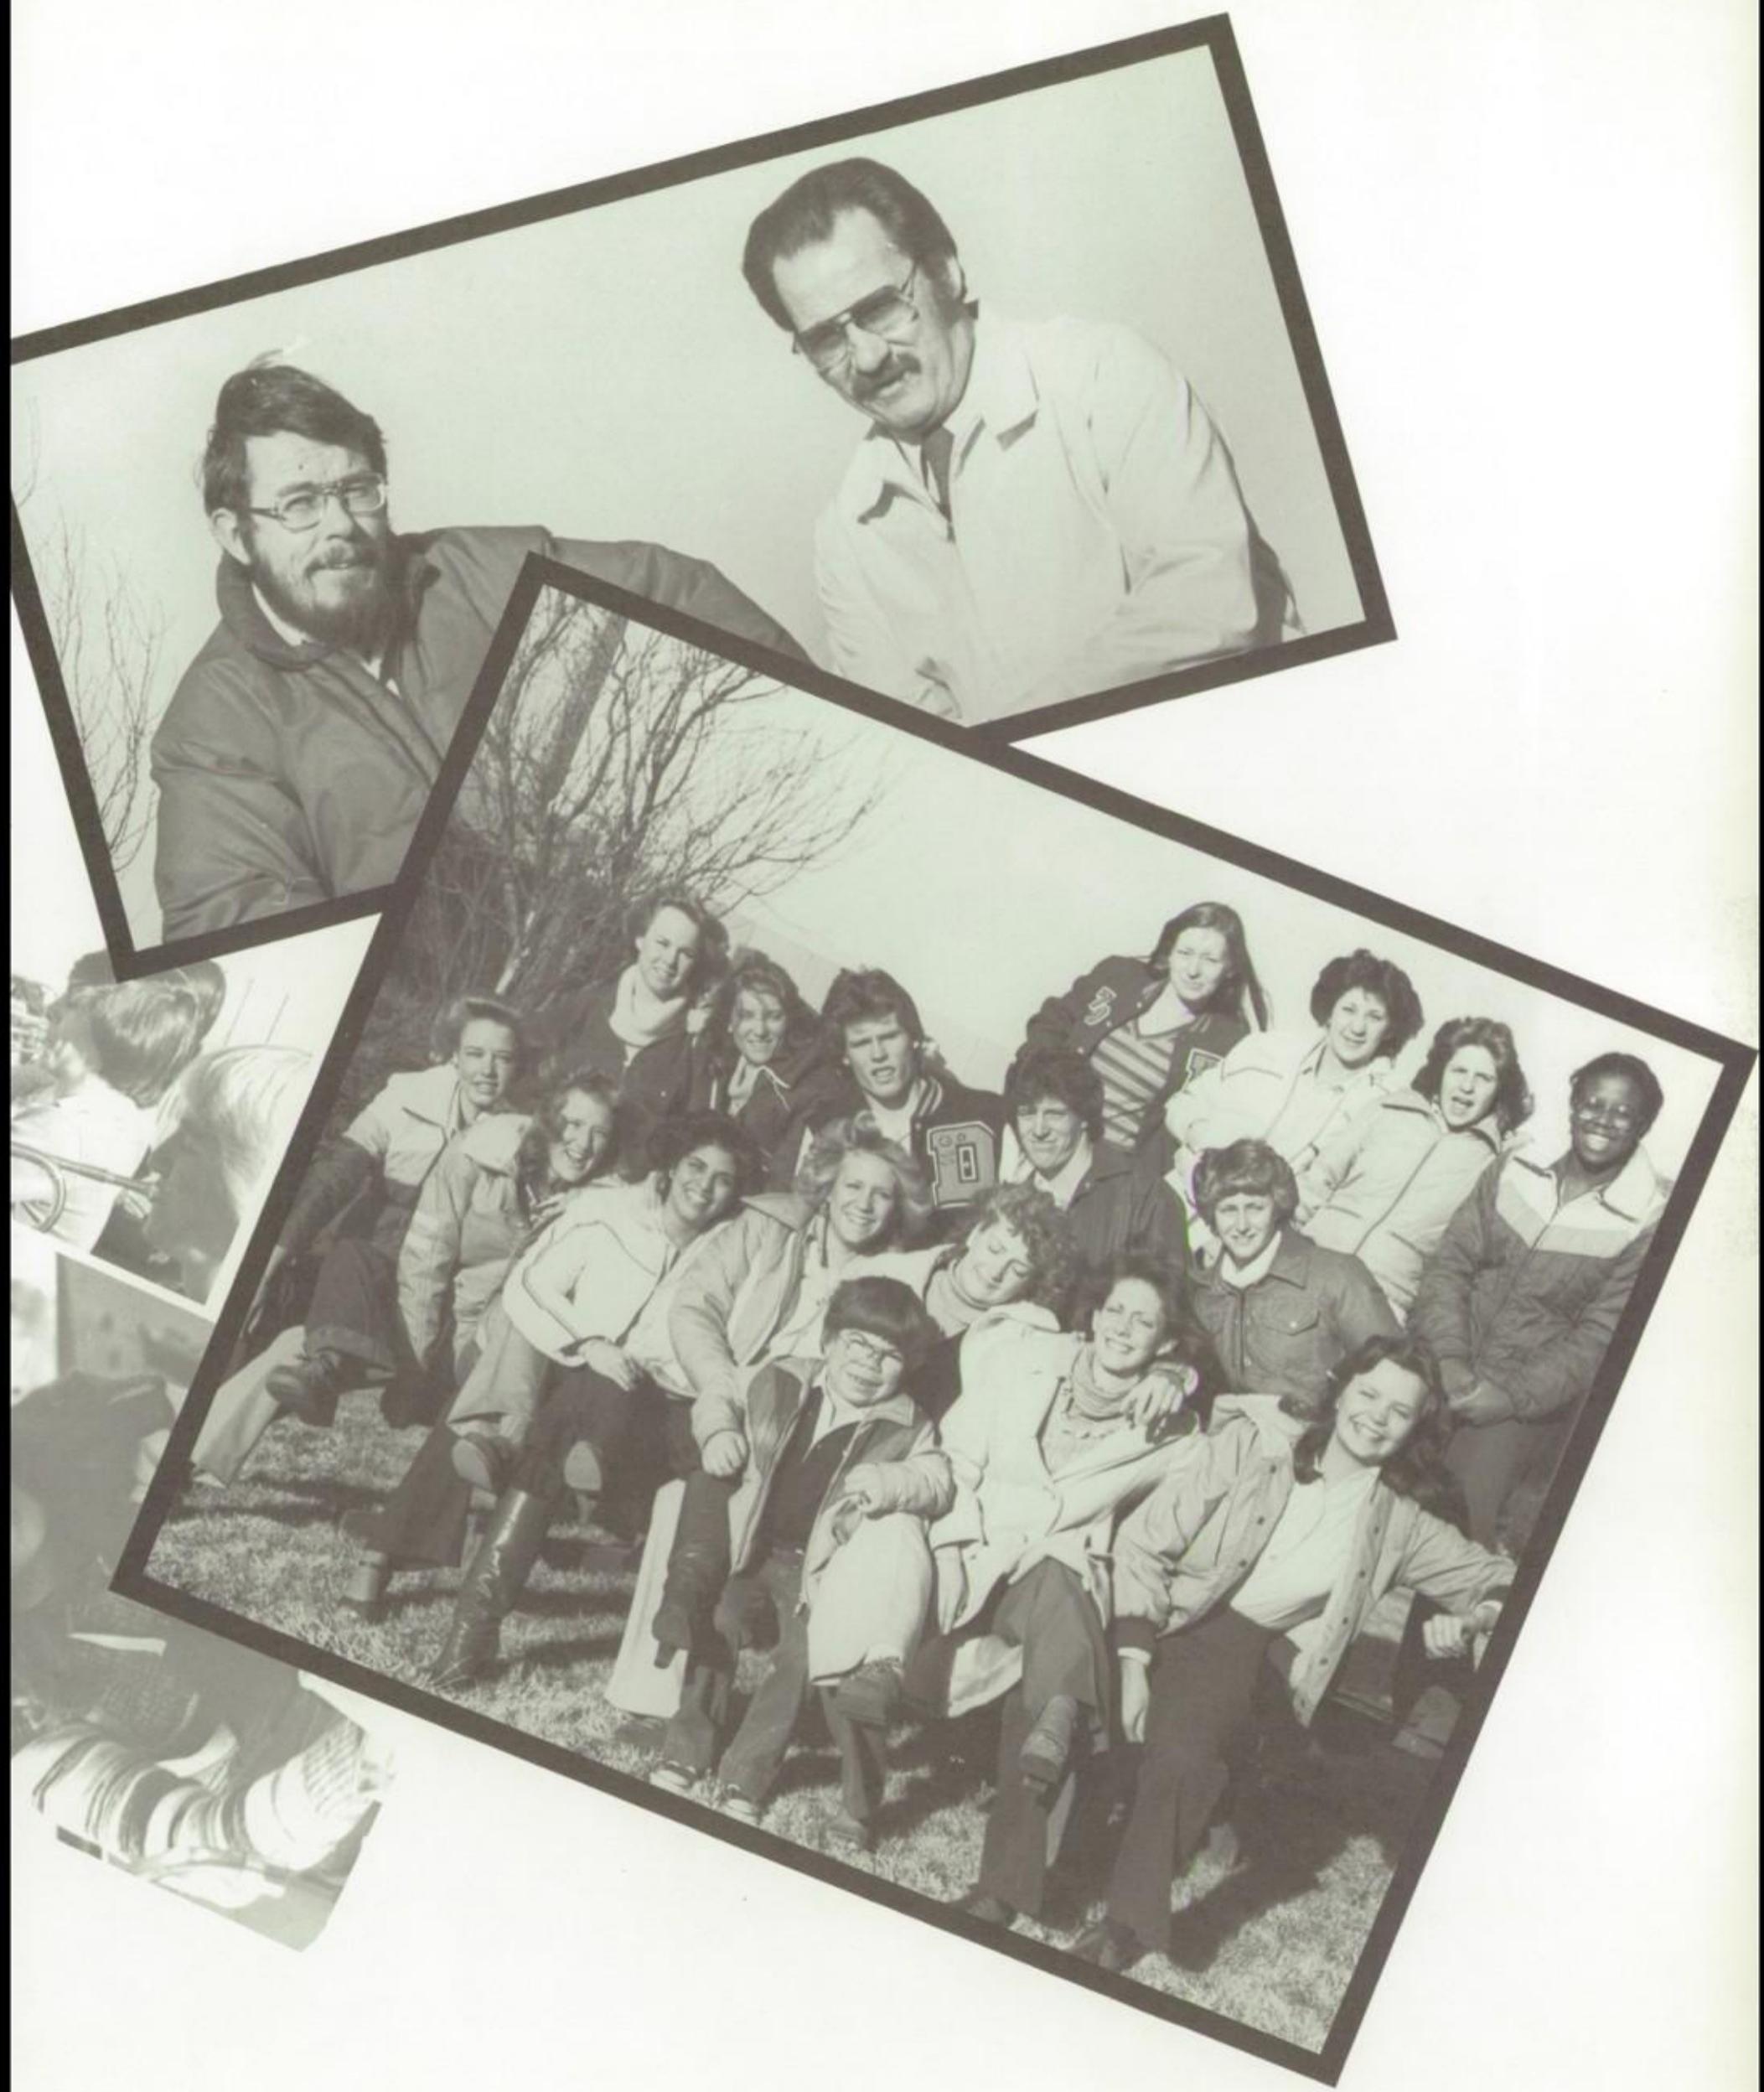

It's a struggle every year to meet the exacting production schedules imposed by the publisher, and this year was no exception. It all begins with the "color" deadline in early November, when all color photographs and copy must be in as well as the style sheet and cover and end-sheet design. In December comes the BIG ONE: the album deadline, 90-some pages of student pictures along with pictures of outstanding seniors. This year on December 18, 19, and 20, while the rest of the student body were on Christmas break, YEARBOOK STAFF was in room 224 working on this deadline. By Christmas, half of the book was in.

Then came January and February and the two "club deadlines." Traumatic is the word for it. As usual, everything that could go wrong, did. But the staff redoubled their effort, and by April the book was in. All that was left was to celebrate and pray the book would be well received and the budget met.

The year 1978-79 produced not only a good yearbook but also a splendid group of staffers. Most

notable among them were the two editors: Laura Larrabee and Jackee Chavez. Senior staffers were Phil Capra, Cindy Charbonneau, Rose Costello, Lori Dreisbach, Gregg Girtin, Mary Greenwald, Debbie Hjelm, Anne Jones, Kerri Klippel, Greg Mullen, Mary Nieman, and Stefanie Taylor. Junior staffers were Sara Abshire, Robin Cummings, Gwen Eichman, Cindy Forington, Janet Graige, Greg Hamilton, Patty Herrick, Steve Sedbrook, and Cindy Stanley. Photographers were John Townley, Gene Molloy, Bryan Wamberg, Chris Woolen, Ken Classen, Lori Lindbloom, and Kathy Dow. The staff sponsor was Mr. Valentine and the photography sponsor was Mr. Jones.

# The Class of '79 sure is fine

The Senior Class Council is made up of young men and women who want to make sure that their class is the best to ever come out of Lincoln High School. They met every Tuesday morning at 7:00 so they could get ready for their many accomplishments they created throughout the year.

The Class Council was responsible for a great many things through the year, but their two main concerns were the senior prom and graduation. The Senior Class Council went through a lot of work and arrangements for their graduation. They made it possible for the 1979 class to be the first class from Abraham Lincoln High School to graduate at Red Rocks Ampitheater. They also arranged for the prom to be held at the Brown Palace. All this required money. A few ways they raised money for this were having a candy sale, a T-shirt sale and having a Bronco football contest.

The students who were in charge of all these accomplishments were Betty Burns, president; Marcia Clute, vice president; Tracy Philpot, secretary; Barry Hawkins, treasurer; and sixty other students who were involved in the Senior Class Council. The sponsor for the 1979 class was Mr. Ortez who spent much of his time to create the finest class of all.

## “When You Wish Upon A Star”

This year's Spirit Week had a few additional wrinkles. There was an ice cream social on Friday and a night pep rally on Thursday, which were both very successful. The week was composed of five "Spirit Days" including "Toga Day," an idea taken from the popular movie ANIMAL HOUSE.

On Saturday, October 28, at 10:00, the Lancers football team met the South High Rebels. Despite the disappointment of a 48-20 loss, the Lancer's spirit never died! The Homecoming game was highlighted by a halftime that was a tribute to Mickey Mouse's 50th birthday. It was done excellently by the band, Pep Club, cheerleaders, and a few selected actors and actresses.

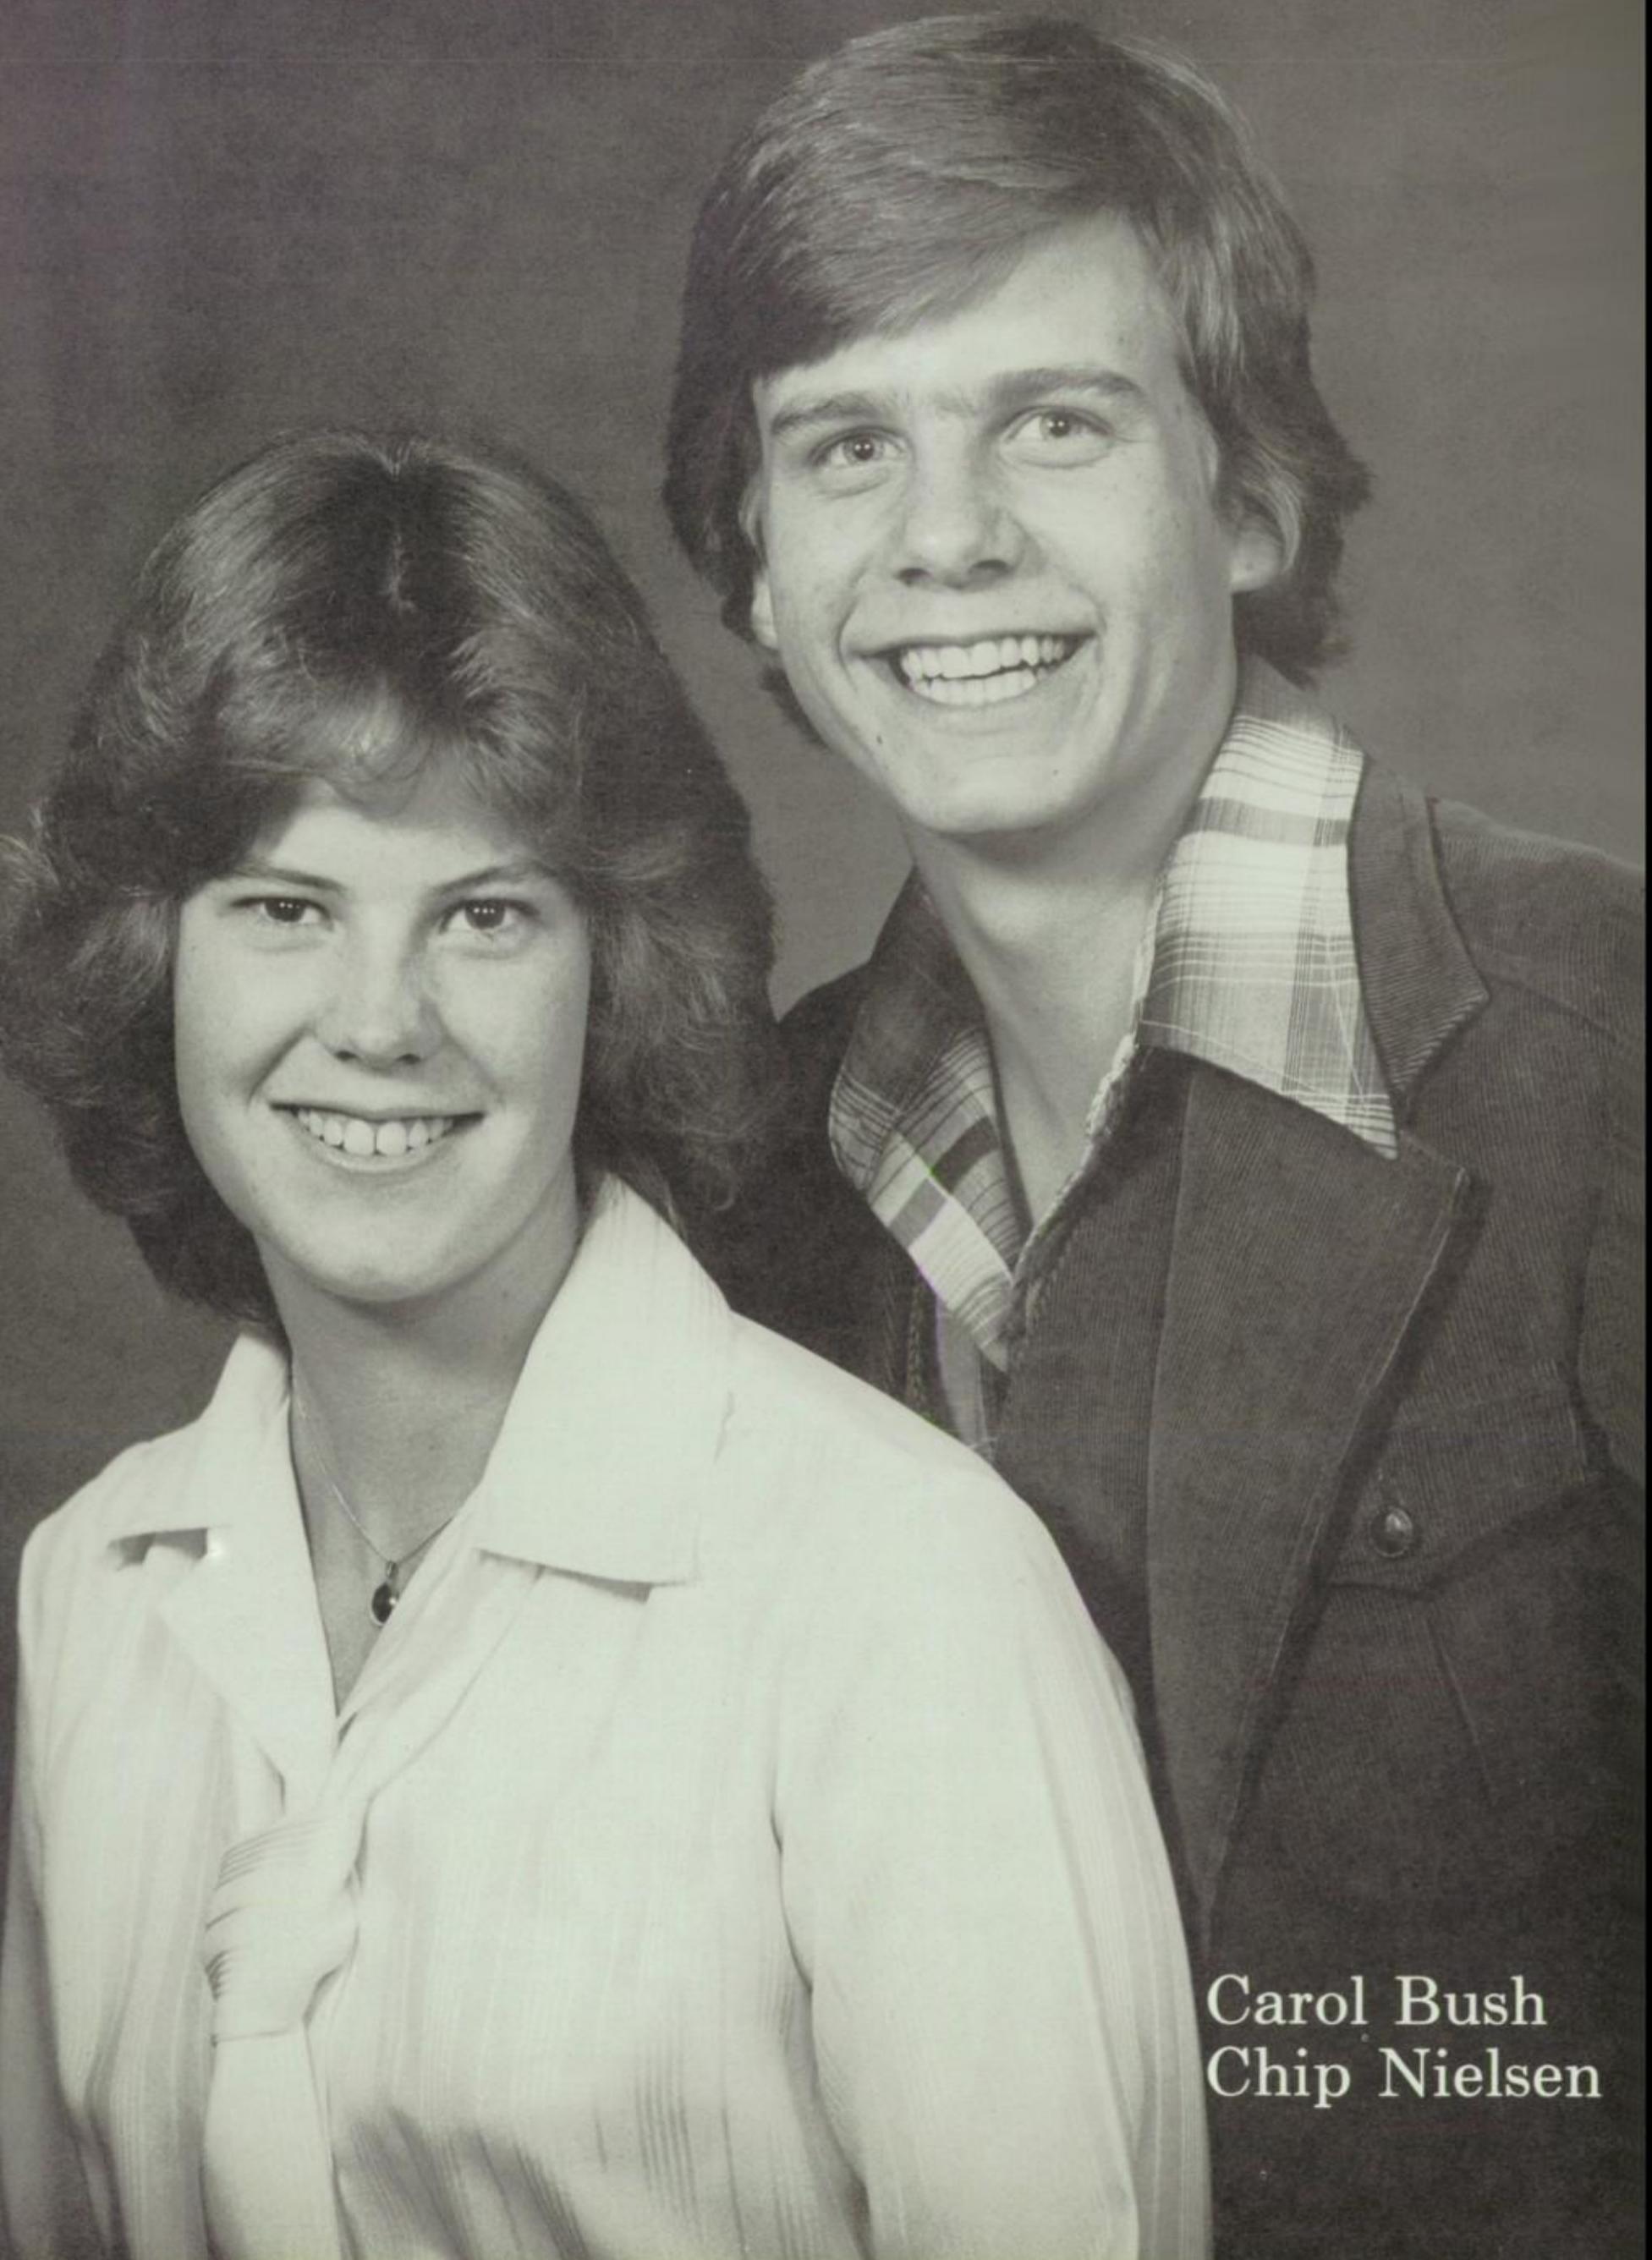

The Homecoming Dance was Saturday night from 8 to 11 p.m., in the Lincoln gym. One hundred and seventy-five couples danced to the music of Taliesyn in the navy-blue and silver decorated gym.

Brent Howell and Joanne Gesink were crowned King and Queen. Dean McVicker and Jayne Johnson were first attendants; Jeff Carter and Lois Burnett were second attendants.

## "Too Much Heaven" Birthday Ball '79

On March 17, 1979 Lincoln's gym was filled with "Too Much Heaven." Couples danced to the music of Close Enough in the pink, maroon and orchid surroundings. Birthday Ball, sponsored by Student Senate, is usually held in February in honor of Lincoln's birthday but this year's had to be in March. The dance promised to be a success.

This year's Birthday Ball King and Queen were Chip Nielsen and Carol Bush. First attendants were Pat Smaldone and Betty Burns. Chris Zahn and Brenda Novak were second attendants and Bryan Wanberg and Dee Dee Gonzales were third attendants.

# NIGHT TRAIN EXPRESS: Sophomore Stag Dance

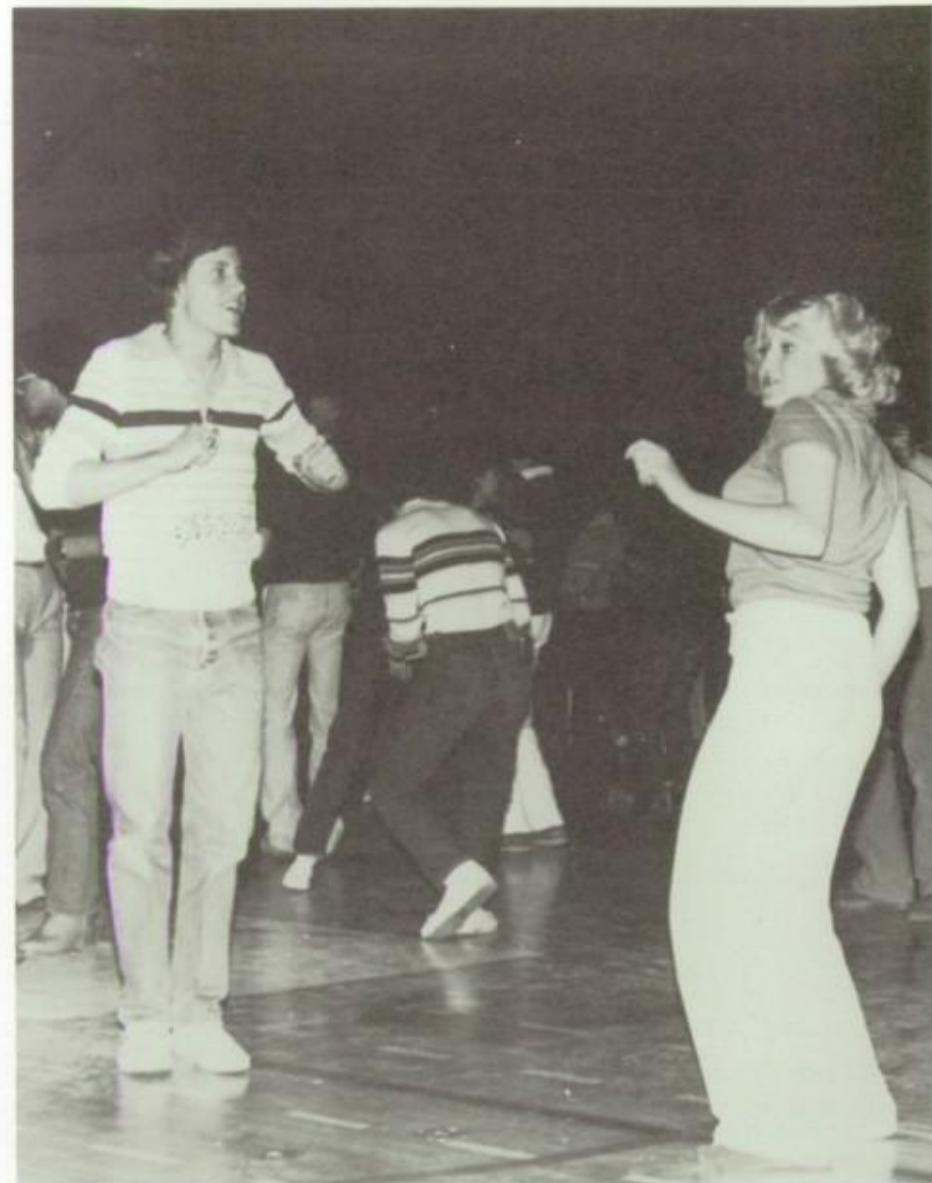

This was the first stag dance in three years that has been successfully sponsored by the sophomores. The sophomore Class Council and Mr. Warren planned the dance and sold two hundred fifty tickets. The profit of \$200 went to the sophomore fund.

The live entertainment was "Night Train Express." Dale Aragon, a Lincoln sophomore, was the leader of the band.

Mr. Warner reported that the dance was a big success and a good money making project to help the Class of "81" fill their class fund.

As the 70's close, we look forward to  
the changes the 80's will bring:

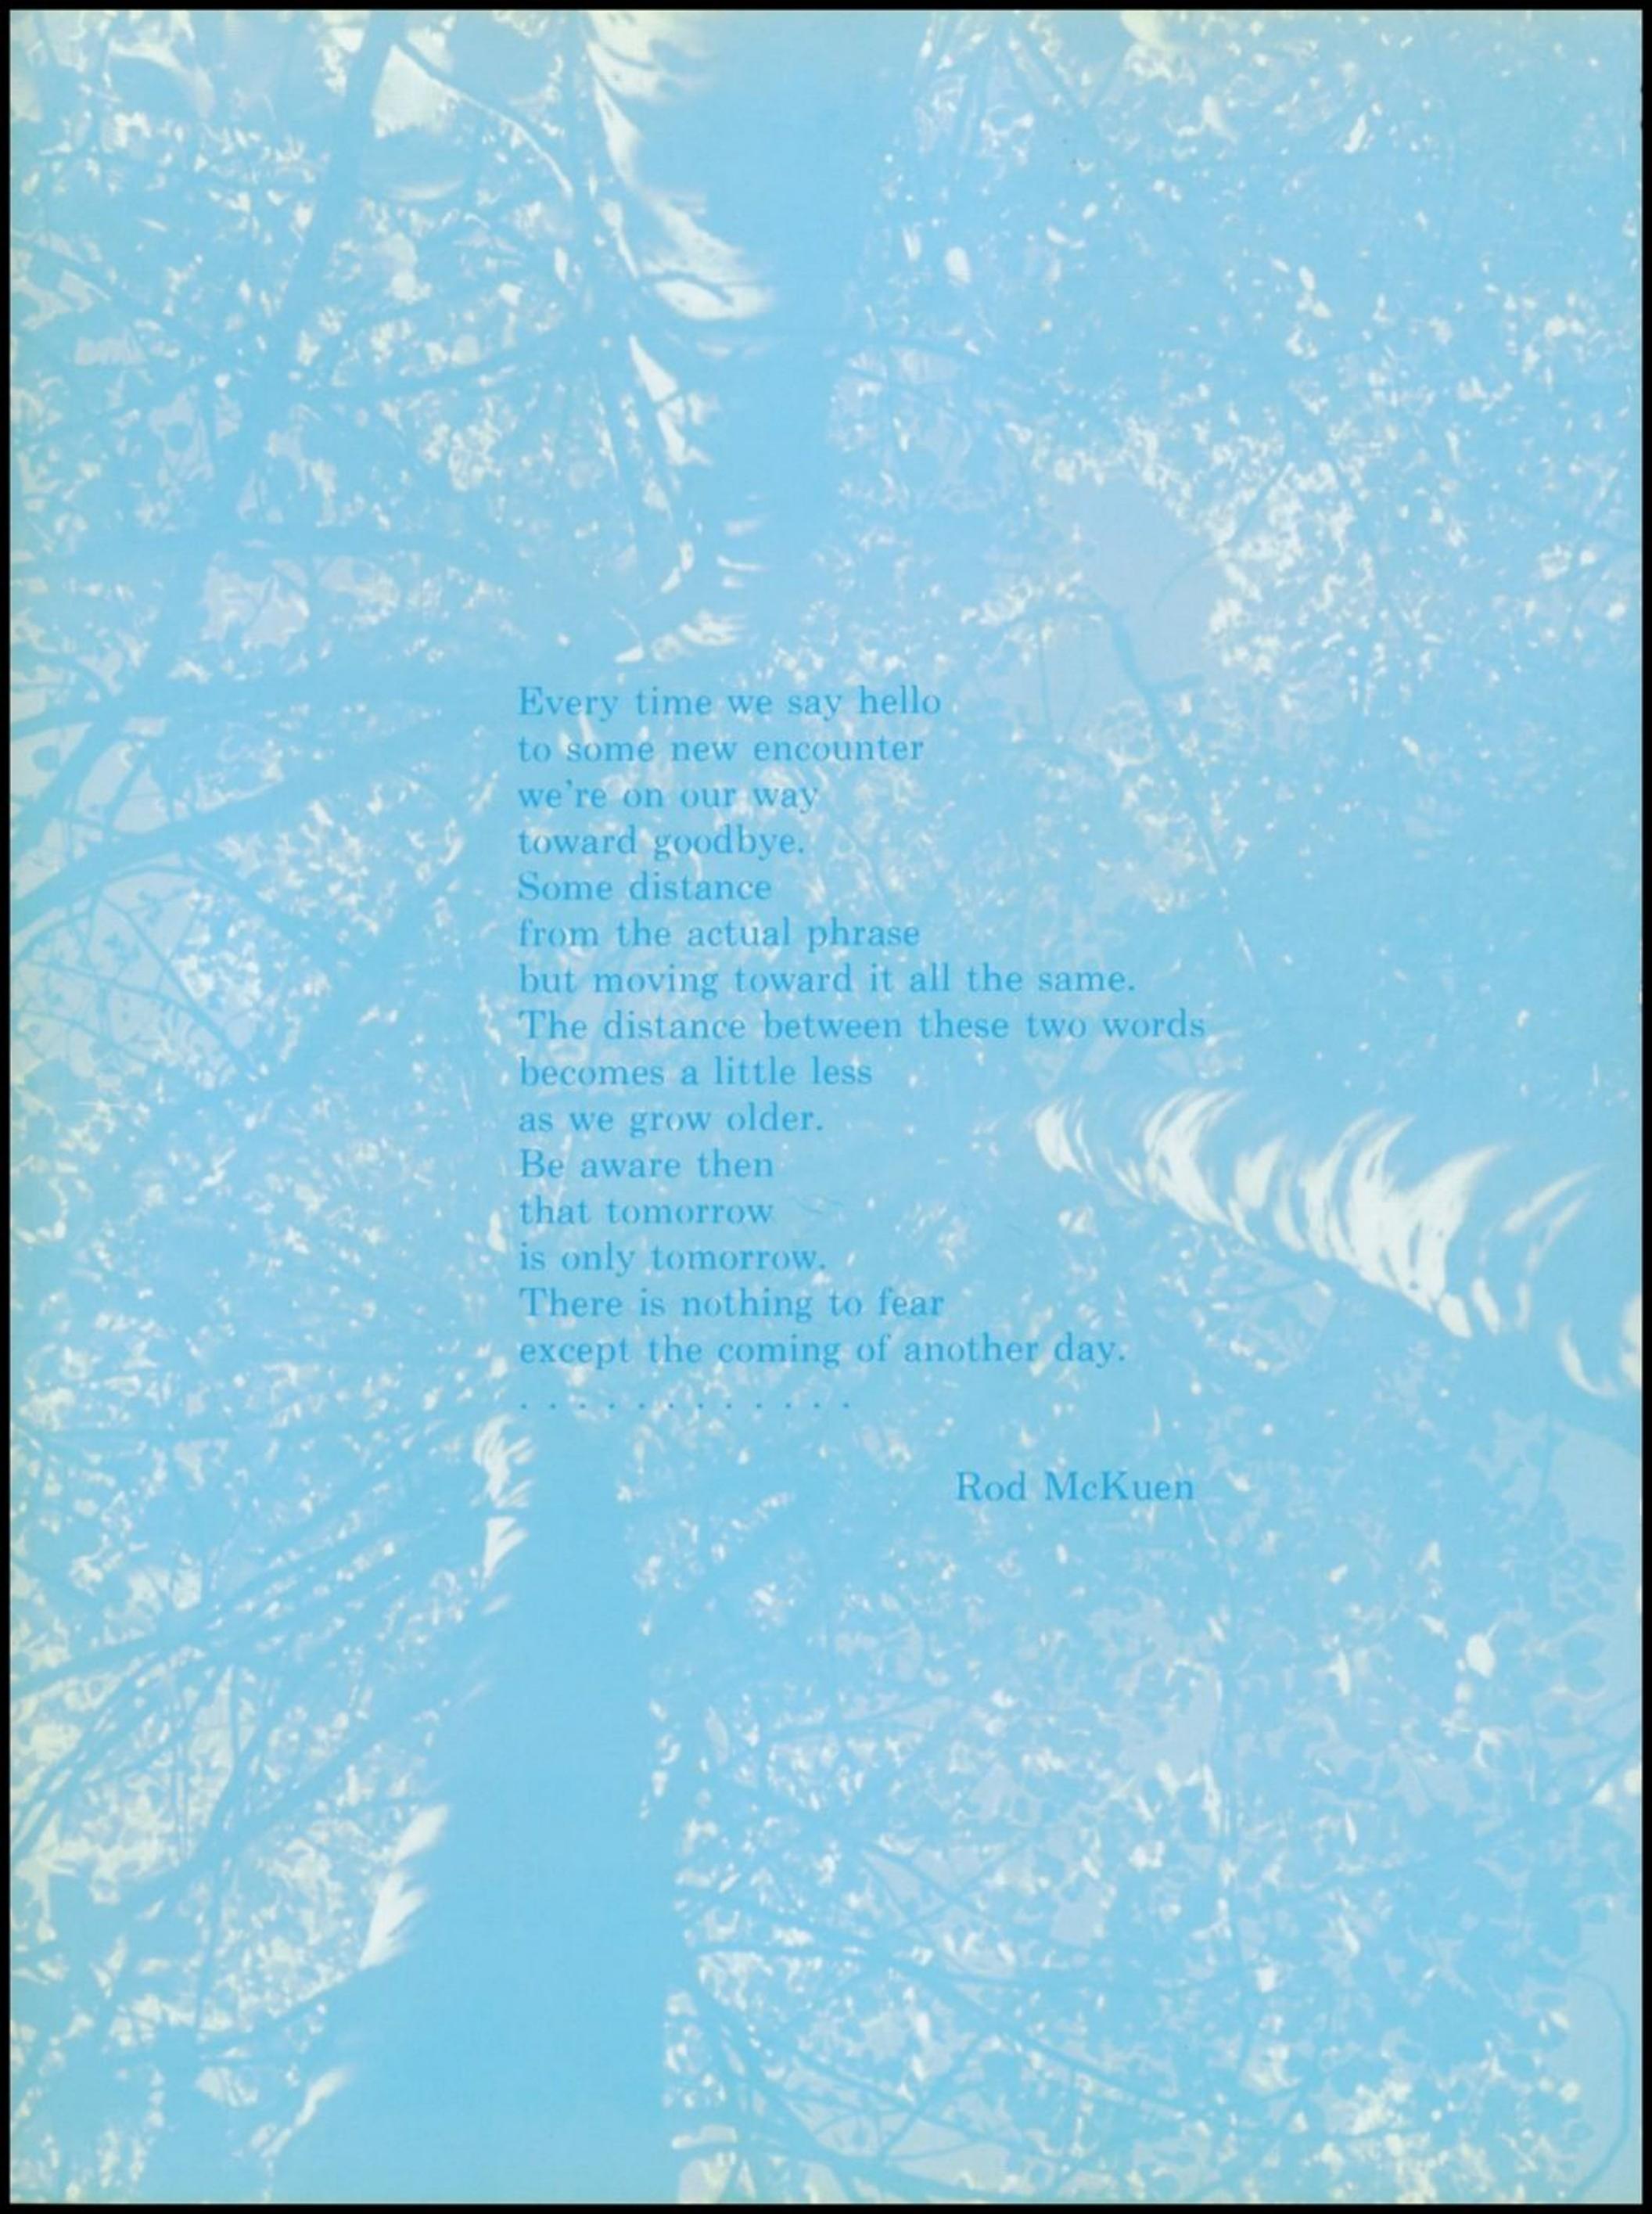

to a variety of faces . . .

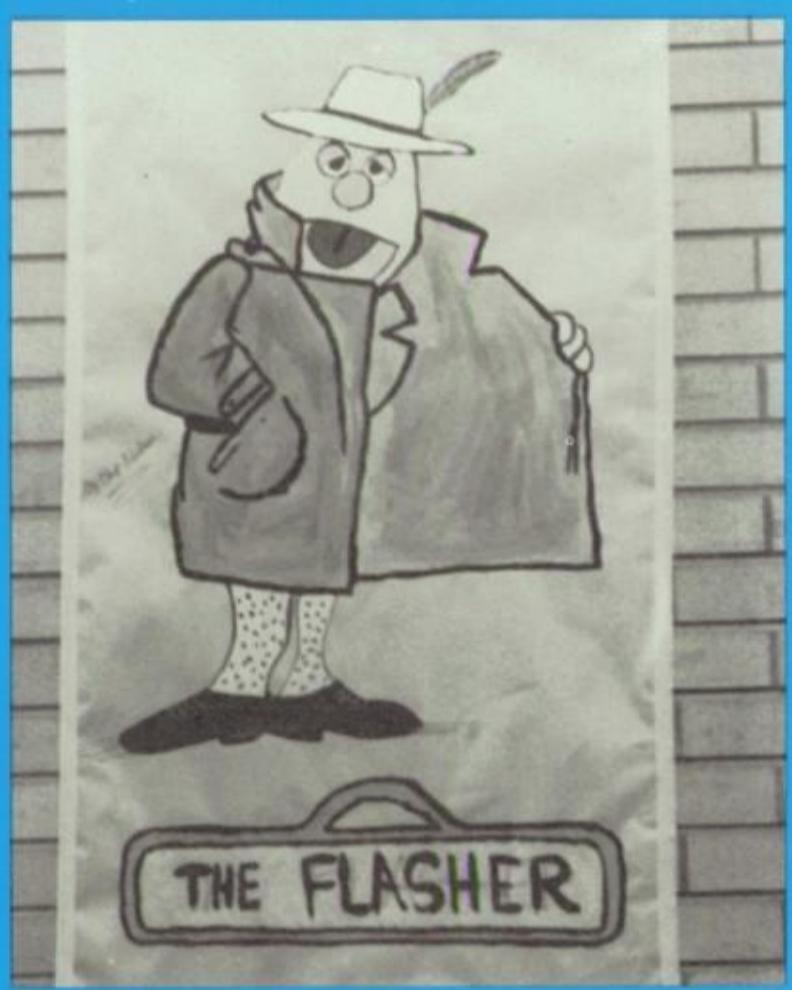

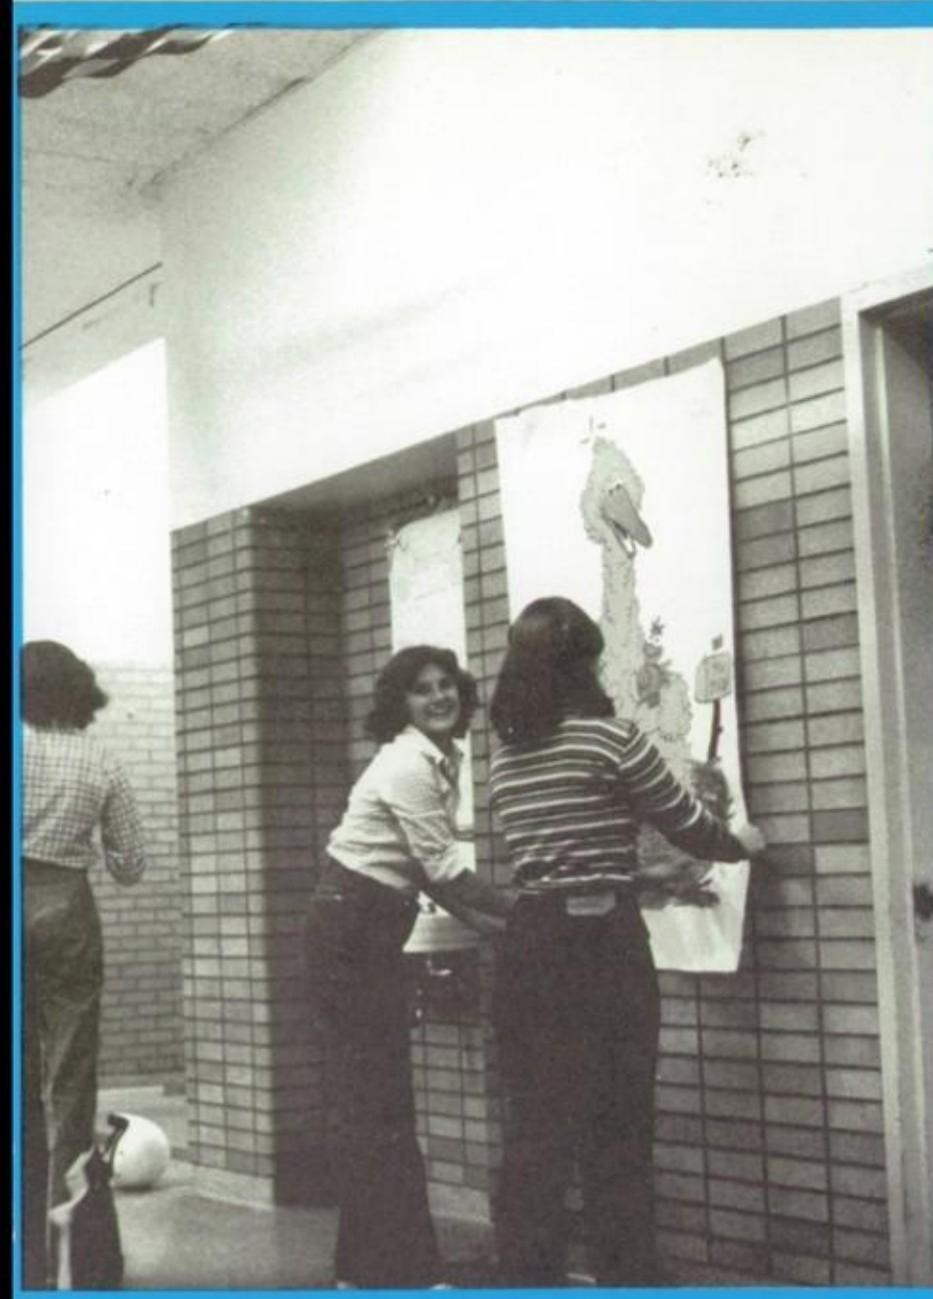

and to new places.

Every time we say hello  
to some new encounter  
we're on our way  
toward goodbye.  
Some distance  
from the actual phrase  
but moving toward it all the same.  
The distance between these two words  
becomes a little less  
as we grow older.  
Be aware then

There is nothing to fear
